Parent Handbook

2026-2027

ABOUT US

2x2 Afterschool Fun is a program where students learn foundational drawing skills in a Christ-centered environment. We believe creativity is a gift from God, and we use art to appreciate His creation, develop artistic excellence, and point hearts toward Him. Our goal is to help students grow in both skill and faith through the creative process. Our mission is to provide structured, instructor-led drawing education in a Christ-centered environment. We teach foundational drawing skills while using art to help students recognize God as the ultimate Creator. Every class is designed as an educational art lesson that develops artistic technique, creativity, and character.

Our program is not a daycare, and we are not regulated by Child Care Regulations. Your child's safety is our top priority. We maintain a low staff-to-student ratio to provide each student with the individual attention they deserve. All staff members are background checked and CPR certified.

While every effort is made to provide a safe and secure environment, participation in an art program involves certain inherent risks. These may include minor injuries such as cuts, scrapes, or falls; allergic reactions or sensitivities to art materials; conflicts between participants; the spread of common illnesses; and other unforeseen incidents that may occur in a group setting. 2X2 Kids Club is committed to minimizing these risks by maintaining appropriate supervision, using age-appropriate and non-toxic art supplies, implementing established safety and emergency procedures, and fostering a positive, respectful, and inclusive environment. Parents and guardians acknowledge these inherent risks by enrolling their child and understand that every reasonable precaution will be taken to ensure the health, safety, and well-being of all participants.

OUR PROGRAM

Our program is called 2X2 Kids Club. It is managed and staffed by 2x2 Afterschool Care. Kids Club is available for kids in grades Pre-K to 5th grade. Our program operates in a school facility after regular school hours. Upon arrival, students report to their assigned classroom for attendance and an introduction to the day's drawing lesson. Students are given a brief break to enjoy a snack, use the restroom, and prepare for instruction.

Each class begins with an overview of the day's drawing objective and a brief discussion of the biblical principle or theme that inspires the artwork. The instructor then demonstrates the drawing techniques and artistic concepts that will be practiced during the lesson.

Students spend the majority of the class participating in structured, instructor-led drawing instruction, where they practice foundational drawing skills such as line, shape, form, proportion, perspective, shading, composition, texture, and color theory. Students apply these skills while creating an instructor-directed art project using a variety of art media, including pencil, watercolor, and acrylic paint.

Throughout the lesson, instructors provide individual guidance, feedback, and encouragement to help students develop their drawing abilities. Each class concludes with a review of completed artwork, reinforcement of the artistic concepts learned, a brief reflection on the biblical theme, classroom cleanup, and student dismissal.

VALUES, NOT RULES

At home and at school, children are often expected to follow rules to avoid consequences or earn rewards, which can sometimes feel overwhelming. At 2X2 Kids Club, we emphasize values rather than rules. Our Core Values are rooted in the teachings and example of Jesus.

Rather than focusing on behavior compliance for rewards or punishment, we encourage students to live out these values because they reflect how Jesus lived. When behavior challenges arise, we use them as teaching moments to guide students back to one of our Core Values and help them understand how to apply it in their actions.

CORE VALUES

1. LOVE GOD
2. LOVE PEOPLE
3. HAVE FUN

DISCIPLINE AND GUIDANCE

Behavior consistent with school rules will be enforced. Staff will guide students' behavior by modeling appropriate behavior, teaching students how to resolve conflicts, and keeping students active and involved. Student are given 2 opportunities to correct any behavior that's causing conflict with the group. If the student cannot correct such behavior, they will be sent to a "RESET" place. This place is designated where a student may be temporarily separated from the group. After a minute in the "Reset" place, the student will be given the opportunity to join the group. A parent will be notified if the child was placed in "RESET".

Sometimes it is necessary to have a written agreement between a student and staff for improvement of behavior; NOTE: this may result in suspension of services.

You will be consulted about such agreements involving your child. A parent is responsible for a property damage/loss caused by his/her child. A child suspended from school may not attend EAC Y for the duration of the suspension. Discipline will be: 1) individualized and consistent for each child; 2) appropriate to the child's level of understanding; and 3) directed toward teaching the child acceptable behavior and self-control. A caregiver may only use positive methods of discipline and guidance that positive self-esteem, self-control, and self-direction, which include at least the following: 1) using praise and encouragement of good behavior instead of focusing only upon unacceptable behavior; 2) reminding a child of behavioral expectations daily by using clear, positive statements; 3) redirecting behavior using positive statements; and 4) using brief supervised separation or time out from the group, appropriate for the child's age and development, which is limited to no more than one minute per year of the child's age. There must be no harsh, cruel, or unusual treatment of any child. The following types of discipline and guidance are prohibited: 1) corporal punishment or threats of corporal punishment; 2) punishment associated with food, naps, or toilet training; 3) pinching, shaking, or biting a child; 4) hitting a child with a hand or instrument; 5) putting anything in or on a child's mouth; 6) humiliating, ridiculing, rejecting, or yelling at a child; 7) subjecting a child to harsh, abusive, or profane language; 8) placing a child in a locked or dark room, bathroom, or closet with the door closed; and 9) requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age.
