Now it's your turn to do the Can-Do Statement! The purpose of this activity is for you to try doing the Can-Do Statement using what you've learned and prepared in the previous stages and then to reflect on what you still need to work on to do the Can-Do Statement.

Can-Do Statement:

Part 1: Prepare

Write a list of at least three questions (in Arabic!) asking someone how they use social media, why (or why not), and what they like and dislike about it:

Then, answer your own questions (in Arabic!) in anticipation of the questions you'll be asked in class.

Part 2: Do

Ask a classmate or classmates your questions that you have prepared and take notes on their answers here. Then, answer their questions.
