

The purpose of this new method of tracking our Sunday gathering is to provide more opportunities for members of the community to contribute their ideas and efforts.

Below is a bulleted description of how to use the tracker.

Topic Ideas tab

1. Think of interesting topics you'd love to hear about. Write them down in the second tab at the bottom called "Topic Ideas".
 - a. If there's enough overlapping topics, these will likely become subcategories of an overarching monthly topic.
 - b. You are more than welcome to contribute ideas to the Topic Ideas tab without necessarily needing to be the monthly leader. This is just out idea generator. :)

Volunteer to Lead Month tab

1. If there is a month you'd like to take the lead on, write your name, suggested monthly topic, phone number, email and any folks you think would like to help you on coming up with ideas for this topic. This will be your "team".

Volunteer to MC tab

1. If you'd like to help with MCing on Sundays, jot down your info on this tab. You do not need to be on a team to MC.

Calendar tab

Once we've gathered enough interest around topics, the board will help you to assemble your topic, team, and MC's on the Sunday Gathering Calendar.

I'm really looking forward to experimenting with this more inclusive model of operations!

Please reach out to the board with any questions.
