Details of the Programme
Department Name: MATHEMATICS
Title: Special Lecture for B.Sc. Mathematics Students for Internship in NGO
Date(s) of event: 07-03-2025 Time: 11.00AM
No of Participants: 240
Resource Person Name: Dr. Ravindra G.
Type of Programme (Event / Seminar / Workshop / Sports) : Seminar
Chief Guest / Guest of Honour (if any): None

Highlights of the Programme:

A special lecture was organized for graduate students specializing in Mathematics as part of an internship opportunity in an NGO aimed at teaching Mathematics to underprivileged students. The event commenced with a warm welcome by Prof. M. S. Nagasuresh, Head of the Department (HOD). Prof. Nagasuresh expressed his gratitude to the students for their participation and emphasized the significance of contributing to society through education.

Following the welcome, Dr. Mandakini N. Muchandi introduced the guest speaker, Dr. Ravindra G., who was invited to deliver a lecture on Internship Opportunities in NGOs for Teaching Mathematics to Underprivileged Students and The Importance of Mathematics. Dr. Ravindra G. shared valuable insights about the role of Mathematics in shaping young minds and emphasized the responsibility of students to bridge the educational gap in society. He also highlighted the immense impact that Mathematics can have on problem-solving and decision-making in daily life.

The session was highly interactive, with students actively participating in discussions and seeking guidance on how to get involved in NGO activities. Dr. Ravindra G. encouraged students to take up the opportunity to serve underprivileged communities and use their knowledge of Mathematics to make a difference.

The event concluded with a vote of thanks delivered by Prof. M. S. Nagasuresh, who expressed his sincere appreciation to Dr. Ravindra G. for sharing his knowledge and motivating the students. The session was indeed an eye-opener for students, inspiring them to contribute towards educational equality through Mathematics.
