

The Bridge

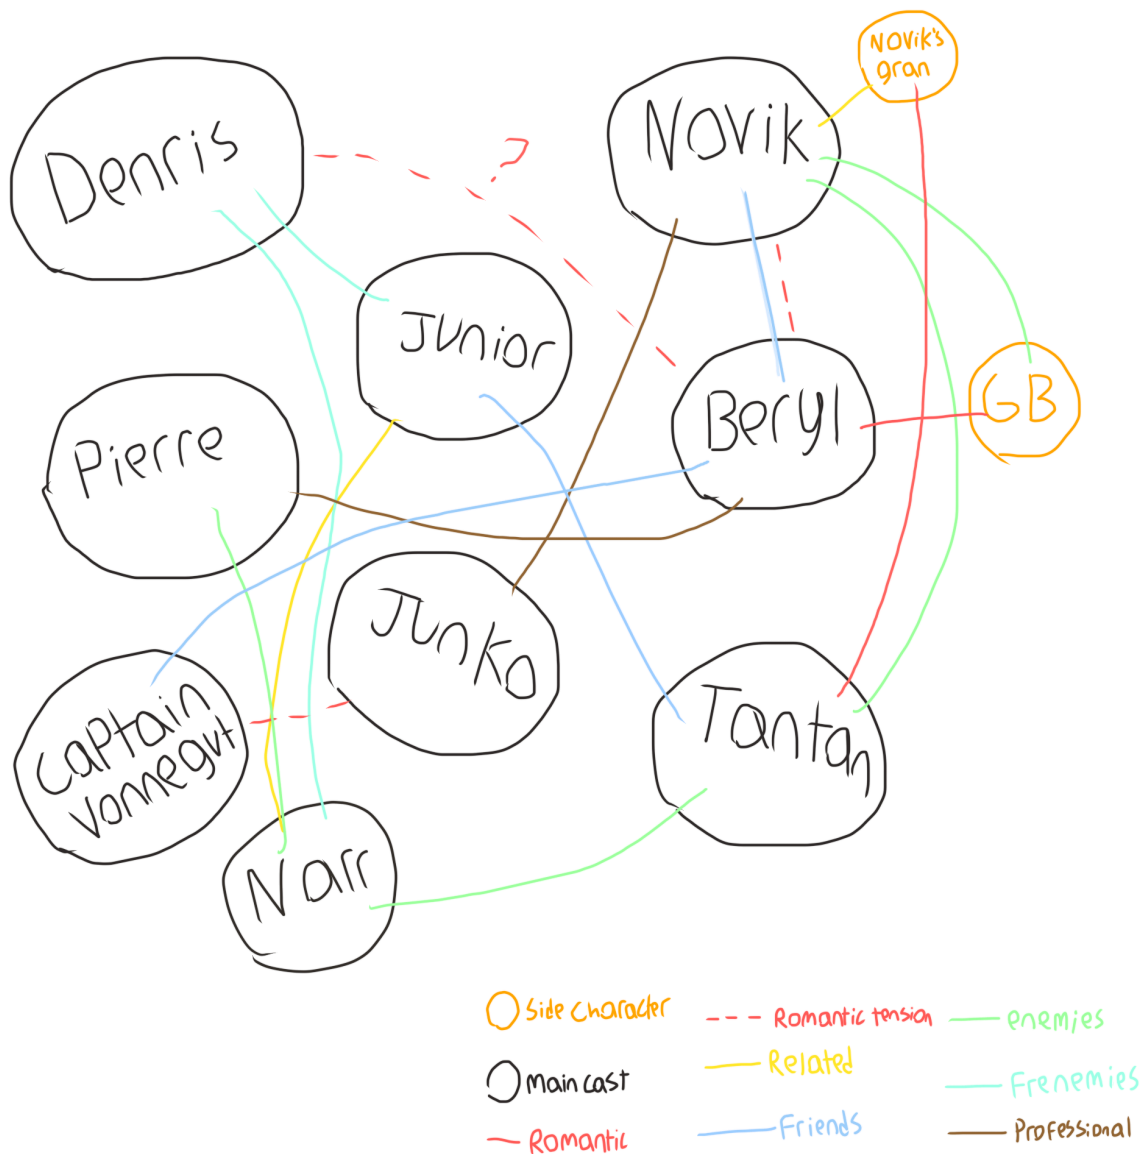

This show should be tv-14 most of the time and tv-MA occasionally. Target audience is 15-24. Make episodes as cliché and asinine as possible, we're trying to drop a steaming pile here, people

Potential names: Star Trek: Civilians (CIV)

Star Trek: Russian Hill (RH)

Tak-1, a joint colony that resembles San Francisco

- **Uses money**
- **Power outages are common**
- **It's still new and rapidly growing, so there's always construction**
- **A trek-flavored sitcom, like DS9**
- **All names are placeholders**
- **post-TNG because of the bootleg Data**
- **Junko's store mostly sells replicator cartridges, but also normal things**

All actors should be new. No celebrities (other than Tantan, who may be played by a comedian).

Novik (Vulcan), 20 years old, male, interested in the old Earth fashion called “alternative”. Friends with Beryl. Beryl’s roommate? Works at Junko’s store. A complete poseur. The Vulcan version of a weeb, but for Earth culture.

Beryl Key, (human), 19 years old, female, just moved away from home to go to college on Tak-1, a real mary sue (gotta have a slot for the young female fans to insert themselves into after all) a tomboy, crass yet naïve, possibly has Asperger’s, works at the Warp Dive, possibly bisexual

Tantan (Ferengi), the Kramer, male, always doing some weird money-making scheme, most of his “side hustles” are just legitimate jobs, comic relief, friends with Junior

Christopher Vonnegut (human) an old retired starship captain. Male. Crabby and off his rocker. Talks way too much. A little creepy? Like Picard with dementia

Junko Nijmura (human) runs the grocery store. Female. An older woman. Stern and somewhat auntie-ish. She and Vonnegut may or may not have dated long ago? Looks younger than she is. From Hawaii.

Pierre (Klingon) Male. Studied at a Terran Ivy League school and acts like a 1920's gentleman for some reason. Sophisticated. Racist towards other Klingons. Teaches fine literature at the university. Real name: K'naK.

Fifi (Targ) Pierre's pet. A poodle-like breed of targ.

Narr (Klingon) an upstanding single dad, unlike a certain Klingon. Is a construction worker. Works hard. Is a Bandit-type dad.

Junior (Klingon) Narr's young son. Kind and caring to everyone. Wants to be the first Klingon pop star. Real name: Jo'nkk

TeeTee (Targ) Junior's Targ. Introduced as a piglet (targlet?) and grows to be big and shaggy.

Denris (Vulcan) female. A cop. Jaded and disillusioned. Racist at first but comes to care about Junior, admiring how Narr cares for him. 120 years old. Lesbian?
