Abstract: The abstract should briefly explain the clinical context of the case and why it is noteworthy. Highlight the rarity, unusual presentation, diagnostic challenge, therapeutic innovation, or relevance to sport and physical activity, if applicable.

Case(s) presentation summarized the patient's demographic characteristics (age, sex, relevant history), chief complaint, clinical findings, diagnostic procedures, intervention or treatment provided, and clinical course.

Case management(s) describe the therapeutic approach, follow-up findings, and patient outcomes, including any complications or clinical improvements.

Conclusion state the key clinical lessons learned, implications for practice, and relevance for future research or clinical management.

The abstract should be factual, concise, and free from references or undefined abbreviations. **The abstract must be written all in one paragraph**, in English, with a maximum length of 250 words.

Keywords: first keyword; second keyword; third keyword; etc. (minimum three keywords)

INTRODUCTION

Type the first sentence of the first paragraph of the introduction of your case.¹ Type the second sentence of the first paragraph of the introduction of your case. Type the third sentence of the first paragraph of the introduction of your case. Etc (minimum 3 sentences in a paragraph).

Type the first sentence of the second paragraph of the introduction of your case. Type the second sentence of the second paragraph of the introduction of your case. Type third sentence of the second paragraph of the introduction of your case.² Etc (minimum 3 sentences in a paragraph).

Type the first sentence of the third paragraph of the introduction of your case. Type the second sentence of the third paragraph of the introduction of your case. Type third sentence of the third paragraph of the introduction of your case.³ Etc (minimum 3 sentences in a paragraph). **Type the purpose of this case in the last paragraph of introduction.**

CASE(S)

Type the first sentence of the first paragraph of the materials and methods of your case.^{1,4} Type the second sentence of the first paragraph of the materials and methods of your case. Type the third sentence of the first paragraph of the materials and methods of your case. Etc (minimum 3 sentences in a paragraph).

Type the first sentence of the second paragraph of the materials and methods of your case. Type the second sentence of the second paragraph of the materials and methods of your case. Type third sentence of the second paragraph of the materials and methods of your case.⁵ Etc (minimum 3 sentences in a paragraph).

Type the first sentence of the third paragraph of the materials and methods of your case. Type the second sentence of the third paragraph of the materials and methods of your case. Type third sentence of the third paragraph of the materials and methods of your case.^{2,6} Etc (minimum 3 sentences in a paragraph). **Figures and/or tables must be typed accordingly.**

CASE MANAGEMENT(S)

Sub Section 1

Type the first sentence of the first paragraph of the result of your case management. Type the second sentence of the first paragraph of the result of your case management. Type the third sentence of the first paragraph of the result of your case management. Etc (minimum 3 sentences in a paragraph). **Figures and/or tables must be typed accordingly.**

All figures must be cited in the text as Figure 1, Figure 1A, Figure 1B, and so on. Figure served in the center as shown below.

Figure 1. This is a title of the figure **(A)** This is a description of picture A; **(B)** This is a description of picture B (font 10)

Type the first sentence of the second paragraph of the result of your case management. Type the second sentence of the second paragraph of the result of your case management. Type the third sentence of the second paragraph of the result of your case management. Etc (minimum 3 sentences in a paragraph).

All tables must be cited in the text as Table 1, Table 2, and so on. Table served in the center as shown below.

Table 1. This is a title of the table (font 10)

Data	Description	Amount
Data 1	Description	1 mm
Data 2	Description	2.5 mm

Data 3	Description	5 mm
Data 4	Description	3 mm
Data 5	Description	10 mm

Type the first sentence of the third paragraph of the result of your case management. Type the second sentence of the third paragraph of the result of your case management. Type the third sentence of the third paragraph of the result of your case management. Etc (minimum 3 sentences in a paragraph).

Sub Section 2

Type the first sentence of the first paragraph of the result of your case management. Type the second sentence of the first paragraph of the result of your case management. Type the third sentence of the first paragraph of the result of your case management. Etc (minimum 3 sentences in a paragraph).

Type the first sentence of the second paragraph of the result of your case management. Type the second sentence of the second paragraph of the result of your case management. Type the third sentence of the second paragraph of the result of your case management. Etc (minimum 3 sentences in a paragraph).

DISCUSSION

Type the first sentence of the first paragraph of the discussion of your case report.¹ Type the second sentence of the first paragraph of the discussion of your case report. Type the third sentence of the first paragraph of the discussion of your case report. Etc (minimum 3 sentences in a paragraph).

Type the first sentence of the second paragraph of the discussion of your case report. Type the second sentence of the second paragraph of the discussion of your case report. Type third sentence of the second paragraph of the discussion of your case report.² Etc (minimum 3 sentences in a paragraph).

Type the first sentence of the third paragraph of the discussion of your case report. Type the second sentence of the third paragraph of the discussion of your case report. Type the third sentence of the third paragraph of the discussion of your case report. Etc (minimum 3 sentences in a paragraph).

CONCLUSIONS

Type the first sentence of the first paragraph of the conclusion of your case report.¹ Type the second sentence of the first paragraph of the conclusion of your case report. Type the third sentence of the first paragraph of the conclusion of your case report. Etc (minimum 3 sentences in a paragraph).

ACKNOWLEDGEMENT

Type the authorities or persons which contribute to funding or assistance in your case report if any.

REFERENCES

References should be numbered in the order they appear in the text (including citations in figure and tables) and listed individually at the end of the manuscript. **Please use reference management software (e.g. Mendeley, Zetero, EndNote, etc) with citation Vancouver superscript style.** Include the digital object identifier (DOI) for all references

where available. Citations and references in the Supplementary Material are permitted provided they also appear in the reference list here

1. Author A, Author B, Author C. Title of Article. *Journal*. Year; Volume(Number). <https://doi.org/00000>
 2. Delicia D, Amalia NR, Nugraha AP, Pramusita A, Kharisma VD, Narmada IB, Ridwan RD, Rianti D, Bramantoro T, Situmorang PC, Noor TNEbTA.
