SRHS Sophomore Articulation – Support Document 2026

Directions for Articulation Card - You must also complete the on-line course requests

- ✔ Read the Course Descriptions on srhscounseling.com under Academics
- ✔ READ THE RECOMMENDED PREREQUISITES FOUND IN THE COURSE DESCRIPTION
- ✔ Talk to current teachers, teachers who instruct the classes you are interested in taking next year, and current sophomores about class recommendations
- ✔ Use progress grades, teacher recommendations (given to students verbally when asked), and end-of-course exam scores (if available) for consideration of class choices
- ✔ Keep in mind your overall time commitments (sports, family responsibilities, work, community service, rigor of classes etc.) when choosing classes!
- ✔ All Sophomores must take PE, PE Dance, Cheer, AFJROTC, Athletics, or Marching Band
- ✔ After completing your Articulation Card, log in to PowerSchool → Class Registration → follow the directions and SUBMIT. (Class Registration will be available on PowerSchool 10/30/26 - 11/6/26)

Areas A-E

- **Area A - History/Social Sciences**

Current Course	Recommended Course
Identity and Relationships 1,2	Modern World History 1,2
Identity and Relationships 1,2 *with Grade A*	Modern World History 1,2 OR Advanced World History 1,2
Identity and Relationships 1,2 Cluster or Seminar *with Grade A*	Advanced World History 1,2 OR AP World History
Identity and Relationships 1,2 Cluster or Seminar *with Grade B*	Advanced World History 1,2
Identity and Relationships 1,2 Cluster or Seminar *with Grade C*	Modern World History 1,2

- **Area B - English**

Current Course	Recommended Course
Identity and Relationships 1,2	English 3,4
Identity and Relationships 1,2 *with Grade A*	English 3,4 OR Advanced English 3,4
Identity and Relationships 1,2 Cluster *with Grade A or B*	Advanced English 3,4
Identity and Relationships 1,2 Seminar *with Grade A or B*	Advanced English 3,4 Seminar
Identity and Relationships 1,2 Cluster/Seminar *with Grade C*	English 3,4

- **Area C - Math**
  - ALL Sophomores will take math
  - You must have 6 credits (3 years) of Mathematics on your SRHS transcript for high school graduation.
  - Request the next class in progressive order. **Skipping math courses is not recommended.**
  - End of year grades and score on the end of year exam (if available) will verify appropriate math class placement.

- **Area D - Science**
  - All students must complete one physical science (Physics or Chemistry), one life science (Biology), and a third year of any Area D Science course for high school graduation.
  - Review the **Science Graduation Requirements & Options Chart** to determine your next science class. The chart is found in the "Area D: Science" section under course descriptions on the counseling website.
  - Review recommended course prerequisites on the Science Course Descriptions to make sure you are prepared for your desired course.

- **Area E - Language Other Than English (LOTE)**
  - 2 years of language are required for graduation and college entry
  - 3+ recommended for UC and some private schools
  - Go to "Graduation Requirements" under Academics on the SRHS Counseling website to see alternative ways to meet the LOTE requirement

- **Physical Education**
  - Required for all Sophomores: PE, PE Dance, AFJROTC, Athletics, or Marching Band (7th period)
  - If on an SRHS sports team, then choose Athletics (6th period) and list your sport on the Articulation Card.

F, G and Other Electives

You'll have elective options only if: 1) You're not taking a LOTE this year, or
2) You're delaying science for a 4-year Pathway (AVID, ASB, Yearbook, Journalism, etc.)

Number your 6 elective course options across areas F, G, and Other Electives in order of preference (1–6). Review and understand the CCTE pathway options & requirements before making your selections. If you request a Concentrator pathway course, you will be required to take that pathway's Capstone course prior to graduating high school.

Online Requests Note: *Your #1 elective choice should be requested in Class Registration on your Student Portal. Your remaining backup electives (choices #2–6) should be listed only on the card.*

- **Area F – VAPA.**
  - Must complete 1 year of a VAPA course in grades 9-12

- **Area G - College Prep Elective and Other Electives.**
  - Only one year of a "G" elective is required for graduation and college admission. The following courses meet the G elective requirement: Math courses higher than Integrated Math 3; A third year of a Language Other than English (LOTE); Courses listed in Area G on your Articulation Card

Keep in mind your overall time commitments (sports, family responsibilities, work, community service, rigor of classes etc.)

Course changes are not guaranteed. Choose the courses that are right for you and make your selections thoughtfully **the first time**. The overall schedule and course availability is developed based on your original requests!

Share all articulation materials with your parent/guardian.

Parent/Guardian Q&A: Wednesday, October 28, 2026 from 5:30pm - 6:30pm.
