

Government - Minor Parties in the United States

Directions. Research the following minor parties by going to the official website of each group. Spend about 10-15 minutes at each site. Be sure to read the section that summarizes the party's core beliefs. This is often labeled "Core Principles", "Introduction", "Platform", etc. The goal is to understand the ideology for each minor party. **Take at least 5 notes about the party in the box provided.** Complete sentences are not required.
