

FOR IMMEDIATE RELEASE

Party On! Grokit's Summer Update Featuring Purrtropolis, MR Photobooth, and New Quest System is Available now!

New games, glowing environments, and dress-up in mixed reality arrive in Grokit's biggest update yet - live now for all players.

July 24, 2025 – Cool off this summer with the launch of *Grokit's* biggest update yet: **“Welcome to Purrtropolis.”** Releasing on July 24, 2025, **Welcome to Purrtropolis** is built from the ground up for hand-tracked, mixed reality party play, *Grokit* invites players to claw their way through chaotic new mini-games, immersive environments, and customizable experiences that make it easier - and sillier - than ever to jump in with friends.

“Grokit's latest update turns your open space into an XR playground. Dress up with friends in a Mixed Reality mirror, try on talking heads that breathe fire, smoke or confetti, show off your fit, have a dance party, and dive into Purrtropolis to take down those mouse drones!”

-**Robin Moulder**, CEO & Co-Founder of 3lb Games

Here's What's So Cool About This Update:

All-New Games Built for Fast, Frenzied Fun

- **Space Cat Trainer** – Join the resistance in Purrtropolis and blast rogue mouse drones out of the sky.
- **Mouse Drone Racing** – Race drones through glowing rings and soar across the skyline using the force of your hands.

Each game is designed for short, punchy rounds that keep energy high and onboarding fast. Perfect for parties, demos, and drop-in play.

Play Dress-Up in the Style Deck

Grokit's *Style Deck* is your new in-game dressing room. It's fully interactive, spatial, and packed with flair. Preview character customization options, try out wild combinations, and flex your style in full room-scale before diving into the chaos.

Pull your friends together, send an invite, and get silly. Because in *Grokit*, playing dress-up is a big part of the fun.

Two New Environments with a Unique Vibe

- **Purrtropolis Meowtown** – A vibrant, neon-drenched city soundtracked with thumping electro beats.
- **The Underwater Lab** – Dive deep into a glowing, sci-fi space full of mysterious tech and aquatic ambiance.

Custom soundtracks and visual effects make each environment feel alive and immersive.

Progression That Keeps Players Coming Back

- **Daily Quests & Achievements** – Unlockables and bragging rights! Not to mention the coins!
- **Earn Coins** – Use in-game currency to unlock new outfits and flex your progress in style.

More Ways to Make Each Match Unique

- **New Gameplay Modifiers** – Mid-round pickups like Boost, Add Time, Shield, and Coins now appear as floating power bubbles that shift the outcome of every game.
- **Quick Onboarding & Room Setup** – Brand-new tutorial and flexible spatial setup make it easier than ever to get started.

Award-Winning, Indie-Built, XR-First

Grokit is brought to you by **3lb Games**, winners of *Best Indie Creator* at the 2024 AWE Auggie Awards. Purrtropolis made its sneak peak debut during the VR Game Spotlight at AWE 2025, hosted by Callum Hurley. The [Purrtropolis trailer](#) premiered in the 2025 UploadVR Summer Showcase last month, offering an exclusive first look at the colorful chaos and mayhem set to take over this summer.
