2. New Step for Incoming 6th & 9th Grade Families: Proof of Residency

Starting in the **2025–26 school year**, families of incoming 6th and 9th graders must submit **updated proof of residency** as part of the registration process.

This step ensures accurate enrollment and aligns with practices at other key entry points like kindergarten.

Note: Students will not receive a class schedule until updated proof of residency is submitted.

Acceptable Proof of Residency Documents:

- A recent **purchase contract**
- A **lease agreement**
- A **current utility bill**

Documents can be uploaded via [ParentVUE](#) during Online Registration or brought directly to your child's school office.
