# PAYMENT TOS

- [Paypal](#)
- [Cashapp](#)
- [Ko-fi](#)

- Payment MUST be before artwork. If you are doing a payment plan, I will only give the art for the money given. Ex: I will not draw an adopt ref sheet if its not fully paid yet, but if you paid for the adopt, you get that image.
- Payment plans are okay, HOWEVER, it must be discussed before hand. The best payment plan would to be two installments which it is half and half. I will send two invoices or keep a tab and you pay the first batch of money when ready, and the second on agreed payment date. I will not send full rights of the adopt until AFTER full payment is sent through
- Refunds aren't accepted as of right now, as this is the only source of income I have. Once I am more financially stable enough, I will likely change this rule. Until then, do not commission me if you are in a tight spot or are picky about completion times.
- I almost never will accept any other currency aside from money. I am in USD, so please make sure to do the math specifically for our currency

# ADOPT TOS

- [YCH Auctions](#)

- You may trade it, Resell it, do whatever, SO LONG as you don't claim my artwork as yours or the design. If you do resell it, I would appreciate it if you told me to who just so I have tabs on who owns them.
- For the amount you pay is what you get, please read the offers on my adopts to see how much money will get you additional art. My usual offers are these
  - \$200: nude version
  - \$250: additional chibi
  - \$300: additional large ref sheet
  - AB you get 2 fully rendered artworks (single character) OR a deluxe ref sheet (front back clothed, nsfw ref page, clothing ref page or expression sheet) + \$20 to make futa!
- You can change details about the character, and if wanting alt outfits for me to design, message me so and I can make alt outfits each starting at \$30. Will be higher based off outfit complexity.
- Please do not use my designs for any kind of political, extreme fetish, and proship art.

# ARTWORK TOS

---

- Once you have ordered a commission, it will take a few days to 2 months USUALLY. I do have life issues that pop up but I will remember to tell you if so. If you are not patient and don't want to wait, please don't consider commissioning me.
- You can share the art I give you anywhere, so long as you tag me as the artist
- Do not heavily edit my pictures, if there is something you would like changed, please just tell me so I can fix issues.
- Do NOT use my ORIGINAL characters for roleplay or heavily reference them. If I make basic pokemon characters that aren't mine, you are free to use them for roleplay WITH credit.
