

# Supervised Agriculture Experience

## AET Help

Check out [manorffa.theaet.com](http://manorffa.theaet.com) for specific livestock information documents.

The videos below were made with examples specific to livestock SAE projects however keeping records on other SAE projects is very closely related!

1. [Video 1](#) -Getting Started in AET
  - a. Logging in to theaet.com
    - i. Chapter - PA0135
    - ii. Username & Password- JDoe (first capital initial of your first name, first capital initial of your last name- remainder of your last name)
  - b. Creating a New Project in AET
  - c. Creating a Plan (pencil under Experience Manager)
  - d. Creating a Budget (planned estimated expenses)
2. [Video 2](#)- Purchasing Livestock/ Livestock Care Entries
  - a. Market Manager: Purchase Livestock
  - b. New Animal Entry: weight, vet visit, other care management opportunities
  - c. Sell Livestock in the same place under market manager
3. [Video 3](#)- Journal Entries
  - a. Weekly Entries- Complete sentences. Describe what you are doing and it should not be the same each day!
4. [Video 4](#)- Financial Entries
  - a. Finances Tab
    - i. Keep track of all expenses and income: Be detailed with entry descriptions.

Mobile AET: You can also use AET on your mobile phone...try making entries right from the barn to keep up!
