ANNUAL FEST - RESONANCE 2025-26

College festivals and fests are happy events to celebrate and provide students a chance to interact with the outside world and create and sustain a wide network. One of the earliest opportunities for students to come together from different streams and be asked to oversee a big event is college festivals. This taste of a real-world experience can help develop a number of abilities and is an ideal teaching tool.

The Department of Banking & Insurance had organized an **ANNUAL FEST 'RESONANCE'** in the college premises from **17th December 2025** to **19th December 2025**. Students of all the classes had participated in the activities. **RESONANCE** is the Annual Techno-Cultural Festival organized by BBI Student Association (Genius Guild Club).

Objectives: To give opportunities to the students to enhance their skills to co-relate with the new avenues in the Field of Banking, Insurance, Management, Education and Entrepreneurship, in this modern technological work.

Outcomes:

- Events can help social skill development and help to explore innate talents, and create creativity.
- The diversity of talent, socio-cultural variety amongst the student's community representing the length and breadth of the country is a showcase of the nation's cultural melting pot.

The following events & competitions were organized:

- **Day 1 – 17th December 2025: Grand Opening & Mark-Biz**
- **Day 2 - 18th December 2025: Business Games and Treasure Hunt**
- **Day 3 - 19th December 2025 : Banking Buzz & Policy Play**

- **GRAND OPENING & MARK-BIZ**

The **Department of Banking & Insurance**, in collaboration with the **BBI Student Association (Genius Guild Club)**, successfully organised the **Grand Opening & Mark-Biz** for BBI students on **17th December 2025**. The event was conducted as a key highlight of the Departmental Annual Fest, **“RESONANCE”**, with the objective of fostering managerial, marketing, and entrepreneurial skills among students.

The event witnessed enthusiastic participation from students, providing them with an interactive platform to showcase creativity, teamwork, and business acumen. A total of **108 BBI students** actively participated in the **Grand Opening & Mark-Biz Event**, making it a vibrant event providing new avenues in the Field of Banking, Insurance, Management, Education and Entrepreneurship, in this modern technological work.

Additionally, on this occasion the department’s newsletter magazine **Neo-Spectator** was also formally unveiled by Hon. Principal, **Prof. Shubhada Nayak** in the presence of other dignitaries.

Objectives:

- To enhance managerial, marketing, and entrepreneurial skills among BBI students.
- To provide a platform for showcasing creativity, teamwork, and business acumen.
- To create awareness of career opportunities in Banking, Insurance, and Entrepreneurship.
- To promote experiential learning through active student participation.

Outcomes:

- Students demonstrated improved managerial, marketing, and entrepreneurial skills through practical participation.
- Enhanced creativity, teamwork, and confidence were observed among participating students.
- Students gained better awareness of career avenues in Banking, Insurance, and Entrepreneurship.
- Experiential learning was strengthened through active involvement and real-time application of concepts.

An initiative by Department of Banking and Insurance

- **MARK-BIZ**

The Department of Banking & Insurance, in collaboration with the BBI Student Association (Genius Guild Club), successfully organised **Mark-Biz** for BBI students on 17th December 2025 as a part of the departmental annual fest “**RESONANCE.**” A total of 17 students actively participated in the event.

Mark-Biz was designed as an engaging **Food Fest** combined with fun business games, providing students with a practical platform to demonstrate their culinary talents, creativity, and entrepreneurial abilities. Through hands-on participation, students experienced real-life aspects of planning, budgeting, pricing, marketing, and customer interaction. The event encouraged teamwork, coordination, and healthy competition, thereby strengthening camaraderie and a sense of belonging among departmental students.

Overall, the activity successfully promoted creativity, innovation, and business acumen while making learning interactive, experiential, and enjoyable for the participants.

Objectives:

- To Foster Teamwork and Camaraderie.
- To Promote Creativity and Entrepreneurial Spirit.
- To Provide a Relaxing and Enjoyable Experience.
- To Enhance Departmental Identity and Spirit.

Impact of activity:

- The event successfully fostered teamwork, camaraderie, and a sense of community among departmental students.
- It provided a platform for students to showcase their creativity, innovation, and entrepreneurial spirit.
- The event promoted business acumen, problem-solving skills, and critical thinking among students.
- It offered students a relaxing and enjoyable experience, helping to reduce stress and promote overall well-being.
- The event promoted business acumen, problem-solving skills, and critical thinking among students.
- It offered students a relaxing and enjoyable experience, helping to reduce stress and promote overall well-being.

MARK-BIZ 2025-26

- **BUSINESS GAMES & TREASURE HUNT**

The Department of Banking & Insurance successfully organised **Business Games and a Treasure Hunt on “Recent Trends in the Banking & Insurance Industries”** for BBI students on **18th December 2025**, in collaboration with the **BBI Student Association – Genius Guild Club**.

A total of 24 students participated in this Business Games and Treasure Hunt organised during the departmental annual fest- “RESONANCE”.

The event was designed as an experiential learning activity to enhance students’ understanding of contemporary developments in the banking and insurance sectors. Through interactive business games, students applied theoretical concepts to practical scenarios involving digital banking, fintech innovations, risk management, insurtech, and regulatory changes. The treasure hunt incorporated problem-solving tasks and clues based on current industry trends, encouraging teamwork, critical thinking, and time management. Overall, the programme provided an engaging platform for students to develop analytical, managerial, and decision-making skills while fostering collaborative learning and industry awareness in a fun and participative manner.

Objectives:

- To enhance students’ understanding of recent trends and developments in the Banking and Insurance industries.
- To provide experiential learning through business games and a theme-based treasure hunt.
- To develop analytical thinking, problem-solving, and decision-making skills among BBI students.
- To promote teamwork, leadership, and active participation through collaborative activities.

Outcomes:

- Students gained a better understanding of recent trends in Banking and Insurance.
- Students applied theoretical knowledge to practical situations.
- Analytical and problem-solving skills of students improved.
- Teamwork, leadership, and participation among students were enhanced.

BUSINESS GAMES AND TREASURE HUNT

- **BANKING BUZZ [QUIZ] & POLICY PLAY [DUMB CHARADES]**

The Department of Banking & Insurance, in collaboration with the BBI Student Association (Genius Guild Club), successfully organised **Banking Buzz [Quiz]** and **Policy Play [Dumb Charades]** for BBI students on 19th December 2025 as part of the departmental annual fest “**RESONANCE.**” A total of 45 students enthusiastically participated in the activities.

The events were thoughtfully designed to strengthen students’ conceptual understanding of banking and insurance in an interactive and engaging manner. **Banking Buzz** served as a knowledge-based quiz that assessed students’ understanding of core banking and insurance concepts, current affairs, and recent sectoral developments. This activity helped enhance students’ recall power, analytical thinking, and awareness of real-world financial scenarios.

Policy Play, conducted in the form of Dumb Charades, encouraged students to creatively interpret and present banking terms and insurance policies through non-verbal communication. This fun-filled activity made complex concepts easier to understand and remember, while also boosting students’ confidence, creativity, and communication skills.

Overall, the combined activities fostered active participation, teamwork, quick decision-making, and subject clarity. The event successfully created a lively, learner-centric academic environment that blended knowledge with enjoyment, making the learning experience both meaningful and memorable.

Objectives:

- To enhance knowledge of banking and insurance concepts.
- To promote interactive and participative learning among students.
- To improve quick thinking, recall, and analytical skills.
- To encourage teamwork, creativity, and active student engagement.

Outcomes:

- Students showed improved understanding of banking and insurance concepts.
- Active participation and interest in learning increased among students.
- Students demonstrated quicker recall and better analytical ability.
- Teamwork, creativity, and confidence levels of students were enhanced.
