Subject: Invitation for {{First Name}} {{Last Name}} to attend the 13th Annual Africa Evidence Summit in Nairobi, Kenya on June 23-24, 2025

{{Date}}

Hello,

I am writing on behalf of the Center for Effective Global Action (CEGA) and the Network of Impact Evaluation Researchers in Africa (NIERA) to request the attendance of {{First Name}} {{Last Name}} at the 13th annual Africa Evidence Summit to be held at the Mövenpick Hotel & Residences Nairobi in Nairobi, Kenya on June 23-24, 2025.

The Summit will showcase locally-generated research alongside the research of U.S.-based academics, while facilitating a dialogue between policymakers, practitioners, and researchers regarding opportunities for evidence-informed policy making in East Africa.

This annual event will allow researchers to gain feedback on ongoing impact evaluations, present ideas for new collaborations, and network with individuals in East Africa's impact evaluation community. Should you have any further questions, please contact Project Manager for Events and Communications, Eeman Abbasi at eemanabbasi@berkeley.edu.

Sincerely,

Carson Christiano
Executive Director
Center for Effective Global Action
