

CLASS OR STUDENT GIFTS

The board welcomes gifts to the school district from a class or student group. While class gifts to the school district do not require the approval of the superintendent, the board encourages students to consult with the superintendent or other certificated employees prior to selecting a gift for the school district.

No principal, teacher, or other employee of the board will accept money as a gift from any student. Gifts of appreciation given by a class to a principal, teacher, or other employee of the board will not exceed an amount that may make people uncomfortable or create an expectation.
