For our 42 students in year 13, the destinations are as follows:

- 32 students have achieved a place at University including Warwick, Loughborough, Keele, York, BCU and Cardiff to study courses including Accounting & Finance, Interior Design, Sports & Exercise Nutrition, Law, Natural Sciences, Computer Science and History.
- 3 students are taking a gap year and in part time employment (1 wants to do medical science or nursing next year, another wants to study Computer science at Warwick and final one is undecided yet on future destination)
- 2 students are taking a gap year and have been employed at EG as LSA and House assistant (1 will go onto degree apprenticeship in finance and other wants to do teaching apprenticeship in Sociology)
- 1 student is doing a level 4 Sports Apprenticeship at Cardinal Wiseman
- 1 student is waiting to hear back from Jaguar Land Rover car design apprenticeship at Level 4 and currently working at EG as Art technician
- 4 students are entering full time employment
