NFT Specs

The Notion Ninja Learn to Earn Course comes in three phases for the Notion Student.

- How Bankless Uses Notion - Current [Student Guide](#)
- Basic Notion Skills
- Advanced Notion Skills

After the Bankless DAO member has completed each course (through workshops or self study) they will have the opportunity to answer quizzes and upon successful completion of the quiz for each phase they will earn a white, yellow, or blue banded Notion Ninja. Each with their own unique [back story and properties](#). 400 of each colour will be available to receive learn 2 earn rewards.

Throughout Season 4 those members who earn the three ninjas will also earn the Red Belted Decentraland Bankless DAO Ninja Wearable. The Red Belted Ninja has all stats combined from the three previous ninjas.

Additionally, 100 Bankless Decentraland Wearables will be for sale at a price of 1,000 BANK each via the Bankless Africa website. 600 will be for sale via the Decentraland Marketplace.

If there are still 2D NFTs available for Learn 2 Earn Course we will make them available in Season 5 as well.

Seed Funding and Revenue Share Agreement

Total Start Up Costs 38,000 BANK -to be paid upon delivery of the first course and acquiring ownership of the graphics files.

Ops Guild seed funding entitles the ops guild treasury to receive 30% of Revenue, with 10% going to the DAO, 5% going to the Design Guild, 5% to Research Guild, 5% to Marketer, 5% of Revenue to be held as wearables and used for promotion, with 5% going to Ernest of Gaia for Project Management, and the remaining 35% to be split between the scope squad.

- 400 NFT sets will be given as Learn to Earn Rewards to bankless DAO members
- 100 Red Banded 3d Bankless Ninja NFTs for sale for 1,000 BANK Each = 100,000 BANK
- 500 will be for sale on Decentraland MarketPlace 20 MANA = 10,000 Mana
- Guilds can take their revenue share as a % of wearables in Season 5 instead of waiting for the wearables to be sold.
- 1,000 Rare Decentraland Wearable NFTs in total
