WHAT YOU NEED TO KNOW:

- Open to students in grades 3 - 5.
- All acts must be FOUR MINUTES or less in length.
- GROUP ACTS are encouraged. Students may perform only ONCE.
- Acts will need one parent contact to receive emails and notifications (enter this on the signup genius).
- It is expected that ALL performers will attend their assigned dress rehearsal in order to perform.
- Use of recorded songs with lyrics must be school appropriate and approved by Mrs. Hodge prior to audition. Printed lyrics of songs are appreciated for review.
- No one will be "cut" from the audition. However, acts that 'need work' will be asked to work on their performance and have a check in with Mrs. Hodge during an April recess time.
- The parent contact is responsible for downloading (purchasing) and emailing an .mp3 or .m4a MUSIC FILE to the team for any background music that is needed for the act.

Please visit: [PH Auditions](#) to sign up for an audition.
Audition slots are on a first come, first serve basis.

OTHER OPPORTUNITIES:

- EMCEES

Emcees are in charge of introducing each act and doing funny scene work in between segments. Emcee roles are open to grade 5 students who are not already performing in the show. Maximum #: 6 / Sign up at the audition link. Emcees will read a scene provided at the audition.
