

November 19, 2021

Dear Midview Staff and Families,

Please take a moment to review some important updates below.

Midview Gear/Online Store:

There have been a number of people who have recently reached out regarding purchasing Midview Gear for the holidays. I also have heard from a number of people who have ordered spirit wear and other Midview gear through BSN sports and have not received their items. I spent some time with BSN recently addressing their service and customer service. They were very understanding and apologetic and have started working to rectify the issues. They have learned as a company that some supply chain issues have caused them problems in completing orders, so they have come up with a solution that should help everyone.

They now maintain their online stores and spirit wear ordering with only items they have in stock. That could be sizes, brands, etc., but the important part is they are doing a much better job fulfilling orders. Below is a link to our newest Midview gear store.

Please use the link below to access the store to purchase Midview gear. ***There is currently at 25% off Grand Opening offer and the store will be active through November 30th.***

Midview Online Store

blem and lack of communication, but with the issue being on their end, we did not know it happened until it was too late.

Lorain County Public Health Covid Vaccination Clinics:

Children ages 5-11 have now been approved for the [COVID-19 vaccine](#). The approved vaccine needs a first dose, then a second dose three to six weeks later. Over the next few weeks, all parents and guardians will have the opportunity for their school-aged children to get vaccinated.

In an effort to meet some specific needs of this population, LCPH will have several clinics for ages 5-19 only. Parents may make a clinic appointment for their child online by clicking on a link below or by visiting [LorainCountyHealth.com/coronavirus](https://loraincountyhealth.com/coronavirus). Parents may also make an office appointment at Lorain County Public Health by calling 440-284-3206.

Click a clinic link below, or download the ArmorVax app ([Apple](#) or [Android](#)) and use the location code to make an appointment. Parents or guardians must create their own account in order to schedule an appointment for someone under the age of 18.

December 9, 2021, 3:30 - 7:30 pm at Lorain County JVS in Oberlin

- Go to <https://armorvax-app.azurewebsites.net/Home/Invitation?code=AB3-LK8>
- App Code: AB3-LK8

December 9, 2021, 4 - 7:30 pm at North Ridgeville Academic Center in North Ridgeville

- Go to <https://armorvax-app.azurewebsites.net/Home/Invitation?code=K6D-B58>
- App Code: K6D-B58

Vaccines are also available at some local providers found at this [link](#), and through healthcare systems.

Covid Clinic Appointments

Positive Covid Cases & Updated Covid-19 District Dashboard:

We were recently notified that two (2) East students, two (2) West students, and two (2) HS students have recently tested positive for COVID-19. We have confirmed the results and information with the family and have contacted all close contacts.

Our totals by building, as of today are:

HS: 4, MS: 3, East: 8, West: 3, and North 1:

Stay home if you have any symptoms at all and wear a mask as much as possible.

I've also updated our weekly and year-to-date numbers on the Midview Covid Dashboard.
