## THE COMFORTER OF HEARTS

The heart of the human soul is built to be kind, patient and peaceful. Although the heart may change as we journey through time, that intrinsic goodness is never lost. Eventually, an ancient memory within the heart pulls us to seek out the Source of Pure Love – Dilaram, the Comforter of Hearts. Through that love-filled connection with the Divine Healer, the heart is restored to its original beauty, ready to serve a world crying out for comfort and care.
