

Wind Beneath My Wings

Larry Henley, Jeff Silbar

Must have been cold there in my shadow
To never have sunlight on your face
You were content to let me shine,
You always walked a step behind

I was the one with all the glory
You were the one with all the strength
A beautiful face without a name
A beautiful smile to hide the pain

Did you ever know that you're my hero
And everything I would like to be?
I can fly higher than an eagle
For you are the wind beneath my wings

White Sandy Beach

Willie Dan

I saw you in my dreams
We were walking hand in hand
On a white, sandy beach of Hawaii
We were playing in the sun
We were having so much fun
On a white, sandy beach of Hawaii

The sound of the ocean
Soothes my restless soul
The sound of the ocean
Rocks me all night long

Oh, Last night in my dreams
I saw your face again
We were there in the sun
On a white, sandy beach of Hawaii.
