## Parent Information

We will not be issuing weekly reports for students this quarter. However, if students are missing assignments at the end of the week, we will send an email or Dojo message reminder to you. Here is a weekly checklist we created for students to assist them in remembering what is due weekly outside of live instruction:

[https://docs.google.com/document/d/1\\_5ebxOBhTve6tYr7o6GfNVj\\_b6eyuOa4bowGES9k9Sk/edit?usp=Sharing](https://docs.google.com/document/d/1_5ebxOBhTve6tYr7o6GfNVj_b6eyuOa4bowGES9k9Sk/edit?usp=Sharing)

Students can use this if they wish but it is not a requirement, simply a good resource.

## Open House

On September 30, we will host open house for parents to receive information and updates from the 4th grade teachers. We will also give parents an opportunity for a Q&A session at the end of the open house.

We will host the open house from 5:30-6:30pm (if needed) and MS Lamm will be hosting from 5:00-5:30 for AIG and SSA parents.

We will post the live link on our Class Dojo closer to the date so be on the lookout so that you don't miss the session!

## What We're Learning:

**Math** - Students are working on Unit 2: multiplicative & additive comparisons and factors and multiples.

**Science** - Students will continue Science with static electricity.

**ELA** - Students will continue studying similarities and differences between poetry and prose, and continue working with 'Love That Dog.'
