- ## After-Meeting Shares / Parking Lot
    - Rich raised concerns regarding the growing number of formal shares occurring after the scheduled meeting had concluded.
    - He explained that the parking-lot fellowship had increasingly become an extension of the regular meeting, with several members requesting additional sharing opportunities.
    - **Members discussed:**
        - The purpose of the parking lot as informal fellowship.
        - Whether structured sharing should continue after the meeting.
        - The possibility of limiting the number or duration of after-meeting shares.

        - The importance of maintaining opportunities for newcomers and members seeking support.
        - The distinction between formal meeting participation and informal fellowship.
        - Alternative ways to provide additional sharing opportunities within the scheduled meeting.

    - The group will need to establish the training schedule, responsible trainers, and procedures for members who cannot attend scheduled sessions.

- Zoom Account Login and Administrative Permissions

- Aeon raised concerns regarding the group's current Zoom login and administrative access procedures.
- He explained that the existing process allows individuals who only need to start and manage meetings to access account-wide Zoom settings.
- Because login credentials are distributed through trusted servant materials, individuals with meeting-level responsibilities may also have the ability to modify administrative settings that affect all Bronx Zoomers meetings.
- Aeon proposed separating the credentials used for everyday meeting management from the credentials used to administer the Zoom account.
    - **Discussion included:**
        - The difference between starting or hosting a Zoom meeting and changing account-wide settings.
        - Limiting administrative privileges to appropriate group-level trusted servants.
        - Reducing the likelihood of accidental changes to Zoom settings.
        - Protecting shared account credentials.

    - **Motion**
        - **Motion:** Restructure the Bronx Zoomers Zoom account login process to separate meeting host/tech access from administrative access, restricting account-wide configuration changes to appropriate group-level trusted servants.
        - **Motioned by:** Aeon
          Seconded by: Blair
          Vote: 6 in favor, 1 abstention; the opposing count was not clearly confirmed.
        - **Motion Passed @ 11:38AM**
- Aeon and Blair will coordinate implementation and establish procedures for securely transferring administrative access during future service transitions.

- Proposal to Extend Regular Meetings by 15 Minutes

- Blair proposed extending the regular daily meetings by 15 minutes to provide additional opportunities for participation following the decision to eliminate after-meeting shares.

- Members considered whether extending regular meeting times would improve access to sharing opportunities or create conflicts for members and trusted servants with existing schedules.
    - **Motion**
        - **Motion:** Extend regular Bronx Zoomers meetings by 15 minutes.
        - **Motioned by:** Blair
        - **Seconded by:** Jordan
          Vote: 1 in favor, 4 opposed, 1 abstention.
        - **Motion Did Not Pass @ 11:46AM**
- The Chair initially announced that the motion had passed but subsequently corrected the result during the meeting.
- Regular meeting durations remain unchanged.

DISCUSSION / ITEMS DEFERRED

- ## Attendance Verification in Meeting Listings
    - Brandy proposed adding language to public meeting descriptions indicating that Bronx Zoomers provides attendance verification.
    - She explained that the availability of verification can influence which recovery meetings individuals choose to attend.
    - Suggested wording included "Attendance verification available."
    - Blair agreed to include this in the meeting descriptions
    - No formal motion was voted on.
- ## Meeting Script Language and Profanity
    - Mother Kristen proposed reviewing meeting script language to address abusive language, excessive profanity, and communication that may create discomfort or an unsafe meeting environment.

    - No formal motion was voted on.
- ## Regular Meeting Share Duration
    - Aeon proposed reducing the regular meeting sharing time from four minutes to three minutes.

    - The proposal was withdrawn to prioritize other business.
    - No vote was taken.
- ## General Chat Opening Procedures
    - Luis raised concerns regarding members repeatedly requesting that the general Zoom chat be opened while the tech was still posting meeting announcements.
    - He suggested adding clearer language explaining when the general chat would become available.
    - The discussion focused on allowing the tech to complete necessary announcements before opening general chat.

- No formal motion was voted on.

NEW BUSINESS

Google Workspace / Shared Drive Structure

- Aeon raised concerns regarding the previously approved plan to consolidate Bronx Zoomers' Google Workspace accounts and files.
    - Discussion focused on differences between My Drive and Shared Drive, including:
    - Group ownership of documents created in Shared Drive.
    - Permission management for committees and trusted servants.
    - The ability for committee members to manage access to designated folders.
    - Duplication of documents between My Drive and Shared Drive during the ongoing transition.
    - The privacy of Treasury communications and donor information.
    - The need to maintain separate access to confidential Treasury emails.
    - Whether the financial savings from further consolidation justified the loss of functionality and privacy protections.
- Because the group had previously voted to continue consolidating the accounts, the group first addressed its customary six-month waiting period before reconsidering a prior decision.

- **Motion 1**
    - **Motion:** Waive the group's customary six-month waiting period for reconsidering a previously decided matter **for this issue only**, allowing the Google Workspace decision to be reconsidered because of new information.
        - **Motioned by:** Rich C

- Kristen raised a concern about members naming prescription medications and the conditions for which they were prescribed, including during the post-meeting "parking lot."
    - **Motion:** Amend the meeting script to ask members to refrain from mentioning prescription medications by name.
        - **Motioned by:** Kristen
          Seconded by: Aeon
- **Discussion included:**
    - Whether the group should regulate the naming of prescription medications during personal shares.
    - Whether the parking lot should be treated differently from the formal meeting.
    - Concern that overly broad language could restrict legitimate discussion of members' recovery and health experiences.
    - The distinction between mentioning medications and glorifying drug use.
    - The ability of members to communicate personal boundaries if a parking-lot discussion becomes uncomfortable.
- **Kristen rescinded the motion. No vote was taken.**

Tuesday Chair Vacancy

- City announced that a change in work hours required him to step down from his Tuesday Chair commitment for the upcoming service term. Rich confirmed that Tuesday Chair was the position needing replacement.
    - The group discussed how vacancies occurring after an election have traditionally been handled.
    - Existing elected Trusted Servants and standbys are normally approached first.
    - The Trusted Servants WhatsApp group is typically used to identify replacement coverage.
    - Ray initially volunteered for the position but later withdrew because of laptop/Bluetooth reliability concerns.
    - Kristen offered to provide temporary Tuesday coverage if needed.
    - The group agreed to follow its customary Trusted Servant process first.
    - If the vacancy cannot be resolved through that process, it may be brought back for a formal vote at the next business meeting.
- **No formal election or motion was completed regarding the Tuesday Chair vacancy.**

Co-Host / Tech Responsibilities

- Aeon raised a concern regarding multiple members being automatically assigned Zoom co-host permissions when an elected Tech is already serving.
    - **Proposed Motion**
        - **Motion:** Unless the Tech is absent or specifically requests assistance, additional members should not automatically be assigned co-host permissions.
        - **Motioned by:** Aeon
          Seconded by: No formal second recorded
          Vote: No formal vote taken
    - The Chair determined that the issue could be treated as Trusted Servant etiquette rather than requiring a formal motion.
    - **The understanding reached was that:**
    - The elected Chair and Tech should ordinarily perform the responsibilities of their service positions.
    - Additional co-hosts or helpers should be added when requested by the Chair or Tech or when service coverage is otherwise needed.
    - The person currently performing the service commitment should have discretion to request additional assistance.

January 2026 Group Business Meeting

ATTENDANCE

Chair: Bob B
Secretary: Marco and Blair
Treasurer/GSR/Subcommittee: Rich
Members: Daryl, Cranston, Sheri, City

WELCOME

- Meeting convenes at **10:10am**
- The 12 Traditions were read by Rich C.
- **Reminders from Chair:**
    - Please try to not veer off script and if anyone feels it needs to be changed/updated, they are welcome to introduce the change as a new business item to be voted on.
    - The Chair proposes introducing the modified Robert's Rules principle known as **"Call the Question."** This allows any member, when they feel discussion has become prolonged or unproductive, to request that the discussion be brought to a close.

- When “Call the Question” is requested:
    - The Chair will ask the group to take a **group conscience vote** on whether to end discussion.
    - If **51% or more** of the group votes in favor, discussion will close.
    - The Chair will then ask the Secretary to **restate the motion**, followed by a **group conscience vote on the motion itself**.
    - In the event of a tie on whether to close discussion, the Chair is permitted to cast the deciding vote.

REPORTS

- **Secretary’s Report** - Marco F
    - Minutes from the previous business meeting were reviewed and approved.

    MOTION: To accept the secretary's report **Passed @ 10:15am**

- **Treasurer’s Report** - Rich
    - Prudent Reserve & Operating Calculations

    - Itemized Donations

    MOTION: To the accept the treasurer's report **Passed @ 10:20am**

- **NYCMA GSR Report** - Rich and Bob
    - Monthly Intergroup/GSR summary is posted on the NYCMA website (under the GSR tab) and is typically available about 7 days after the last Wednesday meeting.
    - Intergroup is still seeking an Activities Chair (service role description available via NYCMA site).
    - Financial note: NYCMA is significantly supported by sales of the 12 Steps for Crystal Meth Addicts book; there is concern this revenue may change once the GSC takes it on. Groups may consider adding a brief 7th Tradition awareness statement in scripts (optional; would require a motion if BXZ wants it).
    - Literature: work on the CMA workbook is paused (“back burner”) while finalizing the 12 Traditions project; groups are requested to review the final draft when posted prior to publication.

OLD BUSINESS

- **No old business was brought forward from the prior meeting.**

NEW BUSINESS

- **Robert’s Rules item: “Call the Question” (Chair – Bob B)**
    - The Chair introduced a Robert’s Rules procedure: to “Call the Question.” If any member feels discussion has gone on too long or become unproductive, they may request to call the question. The Chair will then call for a vote on whether to

end debate and proceed to voting on the motion at hand. If a simple majority (51%+) votes to end discussion, debate stops and the group proceeds to the vote on the original motion.

DISCUSSION

- Staying aligned with the meeting script (Chair – Bob B)
    - The Chair reminded the group of the importance of adhering to the approved meeting script, noting:
        - The script reflects group conscience decisions.
        - Consistency supports unity and is especially important for newcomers.
        - If members want the script to feel different or include additional language, proposed changes should be brought as new business motions for a group conscience vote.
        - A specific example was discussed regarding how chairs respond when there is no burning desire shared, with a reminder to avoid language that could unintentionally discourage newcomers from speaking up.

OLD BUSINESS

Holiday Share-a-thon Discussion

Key points discussed:

- Several fellows shared personal experiences with the value of holiday Share-a-thons and emphasized their importance for members needing support on difficult days.
- NYCMA traditionally hosts a New Year's Eve Share-a-thon, but this year the event is being organized by DC/MD Intergroup.
- Holding a second New Year's Eve Share-a-thon may require ~60 volunteers and risks conflicting with the DC/MD event.
- A **Christmas Day Share-a-thon** was proposed as an alternative that would avoid conflict and still provide holiday support.
- **Aeon** volunteered to organize a Christmas Day Share-a-thon, with **Graham** offering support in planning (though unavailable the day-of).
- Several fellows expressed willingness to assist, including backup coverage on Christmas Day.
- Consensus developed around focusing volunteer efforts on **Christmas Day,** while promoting the DC/MD New Year's Eve Share-a-thon during Bronx Zoomers meetings.
- Discussion concluded with readiness to move this into New Business for a formal motion.

NEW BUSINESS

- **Motion:** To extend the meeting by 20 minutes.
  Motion Passed @ 11:14am

- **Motion:** Approve Christmas Day Share-a-thon (organized by **Aeon** with **Graham's** support).
  Motion Passed @ 11:15am

- **Motion:** Nominate Sherri as Saturday Tech through the end of December.

- Sherri accepted the position.

DISCUSSION

Meeting Directories (CMA.org vs NYCMA.org):

- A fellow reported that many CMA.org online meetings appear as dead links or inactive; attendees sometimes arrive at nonexistent meetings.
- Recommendation: email PIO (or PINO) at nycma.org with concerns about inaccurate listings, especially for NYC-area meetings.

Standby Use & Over-Reliance:

- A fellow encouraged using the full list of standbys rather than relying on the same one or two "always available" people.
- Secretary will ensure standbys are included in the Trusted Servant guide going forward.

REPORTS

Report from the Anniversary Meeting Planning Committee - Rue P., Anniversary Meeting Planning Committee Chair

The Anniversary Meeting Planning Committee requested this emergency meeting because:

- The committee is requesting an Emergency Group Business Meeting as soon as possible to receive a Treasury Report and time for discussion. The suggested date is Saturday, February 4, 2023, at 10:15a.
- Per the last Group Business Meeting, the Treasury Report was declined. The committee cannot move forward as planned with the Anniversary Meeting and Fundraiser Budgets without the resolution of the Group's Treasury.

- The Anniversary Meeting will start on March 5th as planned without the mailing of chips/medallions out to celebrants.
- When the treasury has been resolved, we will conduct the fundraiser, and send out chips/medallions.

Treasurer's Report Review - Lee M., Group Treasurer

- Lee sent the Treasurer's Report to the BXZ Trusted Servants WhatsApp Group Chat. Rue did not receive the Treasurer's Report via email as tradition. Lee shared the correct report on the screen. Rue asked for the report to be sent, but Lee had no response.
- According to Lee the original February Treasury report had an error. The Prudent Reserve ending balance was reported as negative.
- Rue asked what the balance in the PayPal Account was as of this meeting. Lee refused to show any evidence of the actual balance. Lee said it is the balance forward plus the corrected prudent reserve. Rue calculated that $83.46 (Balance forward) and $175.00 (Prudent Reserve) is $258.46. Rue asked Lee if this was the balance in the PayPal Account and Lee refused to confirm or show evidence.
- Lee mentioned that the Yearly Subscription for Zoom will deplete the Prudent Reserve in February. Rue suggested that we move to the monthly subscription temporarily. Lee refused to change the subscription even if a motion passed by group consciousness. "It will have to be the next Treasurer that makes the change. I will not do it." Lee said. Rue mentioned that if the Group Conscious was made, that the Treasurer would not be needed to do it.
- Lee says that the transition to a new Treasurer will take several months to complete.
- Lee left the meeting at 10:38a.

DISCUSSION

Motion: To lower the time requirement to one year of continuous sobriety from two years. Seconded. Motion passes.

Motion to Recall the last motion. Seconded.
