**\*Very important\***- Not everyone will rehearse every Saturday, but we will have rehearsals from September 27-November 29. Nov 22 and 29 are our in studio dress rehearsals. We will not have a stage dress rehearsal this year, due to scheduling limitations. As we have a limited amount of time to prepare for this show, students must not miss rehearsals. Please list any known conflicts with these Saturdays, as far as date or time. We will use this when deciding which roles will work for the student. You can also see the rehearsal schedule on the Nutcracker page on the website.

You may choose ONE role that you do not want to be given. You may not choose Snow or Flower scenes. If you list more than one role, I will probably give you one of them. ONE blackout only. :)

This show is double cast, meaning some students appear in Cast A only (2 shows), some in Cast B only, and some in both casts. They may have different roles in different casts, or they may have a role that they perform in all 4 shows.
