

My name is Vivian and I talk about my mom...

My mother's name is Georgia. She is a musician at the Alexandroupolis Music High School.

Mom is my guardian angel, my support and my best advisor.

She has long brown hair and her eyes are brown too

My mother likes going long walks on the beach, studying piano, listening to music and playing with me.

She doesn't like sports other than swimming and tennis. She also doesn't like to diet at all and still has this beautiful body until today.

My mum is very good at cooking. I love her moussaka her zucchini meatballs and her pizza.

She isn't very good at following fashion and usually dresses classically.

She looks pretty when she is happy and when she takes care of herself.

She looks funny when she is self-sarcastic and when she is cheerful.

My mum gets angry when I make scandals and when I sit at the computer for a long time.

She always helps me at homeworks because I still can't organize my study very well.

My favourite thing to do with her are to go for walks in parks or the sea ,to play board games or watch movies.

I love you mum!
