

Convention session learning log

For the teacher/adviser: Make a copy of this document and tailor the instructions to your needs. Schoology, Canvas or Google Classroom users can create an assignment by linking to Google Drive and it will automatically generate a template for each student to complete and submit.

Session name	
Speaker name	
BEFORE THE SESSION	
What made you choose this particular session?	
What do you know about the speaker?	
What do you know about this topic already?	
What do you want to learn about this topic from this session?	
AFTER THE SESSION	
Summarize the main ideas of the session. Consider organizing these as a bulleted list or develop the main ideas into a paragraph if you	

prefer.	
Identify new ideas, terms or concepts you want to research further.	
What parts of the session confirmed or connected with your prior knowledge?	
If you could ask the speaker another question now, what would it be?	
What's your next step? Describe and explain how you will apply what you learned, what changes you want to make or specific action you will take related to your role in our program/class.
