IT TAKES A VILLAGE SPONSORSHIP PACKAGE

Helping Build a Bright Future for Children in the Meath Park Area

Introduction

They say *it takes a village to raise a child* — and in small communities like ours, we know that couldn't be more true.

The **Meath Park Early Learning Cooperative** was created with a dream of providing local children with a safe, welcoming, and nurturing place to learn, grow, and thrive while supporting families in our community.

With renovations currently underway, we are building more than just a childcare centre — we are creating a space where children will build friendships, gain confidence, learn through play, and feel safe and supported each day.

As a cooperative rooted in community values, we are reaching out to local businesses, farms, organizations, and community members who believe in investing in the future of our children.

Your sponsorship will help us purchase learning materials, classroom supplies, furnishings, and create warm, engaging spaces for the children and families who will walk through our doors.

About Meath Park Early Learning Cooperative

Meath Park Early Learning Cooperative is a brand new, licensed childcare centre located in Meath Park, Saskatchewan, dedicated to providing high-quality early learning and care for local families. The centre is licensed to accommodate up to 39 children,

ages 18 months to 6 years, offering a safe, welcoming, and inclusive environment where children can explore, discover, and develop at their own pace through play based, developmentally appropriate programming that supports growth in all areas of early childhood development.

This exciting project has been made possible through capital funding from the Ministry of Education's Early Years Branch, in partnership with the Saskatchewan Rivers School Division, to renovate a dedicated portion of Meath Park School for early learning use. With strong community collaboration at its core, the cooperative reflects a shared commitment to expanding access to quality childcare in rural Saskatchewan. Doors are scheduled to open in Fall 2026, marking an important milestone in building a vibrant, supportive space where children can thrive and families can feel confident in their care.
