

VPN Privacy policy

Our Privacy Policy explains how we collect, disclose and transfer information about you. Please take a moment to review the details below. How to read this policy and any other privacy or fairness policies we may provide on specific occasions so that you can fully understand when and why we collect and process your personal data, or part of it. If you do not agree to this policy, you may terminate your use of this application at any time.

1.What we collect

We may collect the following information and we will always try and request the minimum amount of data in order to provide you with a good experience.

E.g:

1. Device information
2. Email address

2.What to do with the information collected

We need this information to understand your needs and provide you with better service,

E.g:

1. Application experience
2. Information to improve our products and services.

3.How do we use'cookies'?

A cookie is a file containing a small amount of data, often used as an anonymous unique identifier. This information is sent to your browser from the websites you visit and stored in the memory of your device.The Service does not expressly use these "cookies". However, the app may use third-party code and libraries that use "cookies" to collect information and improve its services. You can choose to accept or reject these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some features of this product.

4. Third-party partners PRIVACY POLICY

Our Services may contain links to other websites. If you click on a third party link, you will be directed to that third party's website. We strongly recommend that you review the privacy policy of each website you visit, we have no control over the content, privacy policy of any third party website or service and we are not responsible for it.

5. Advertise

We may use third-party service providers to display advertisements to you to help support and maintain our services.

Our application uses Admob as the advertising provider.

The advertising provider wants to show ads that are relevant to you. For more information, please view and check the link below:

<https://support.google.com/admob/answer/6128543?hl=en>

With your permission, advertising providers may use personal data to enhance your advertising experience.

6. Feedback and Contact Us

Our Privacy Policy is updated from time to time, if you have any questions about this Privacy Policy, please contact us at the store's developer email address.
