We ended the season 6-4. Two games definitely could have gone our way, so we are pleased with the results considering we started several new players / freshman on Varsity. We were the 3rd top scoring team in our conference having averaged over 21 points per game. We ended our season with a comeback win over CVCA 28-26 after trailing 20-6 at halftime. We are playing a varsity and JV exhibition match Wednesday at Black River for their senior night. Although it will be pouring rain. We are also one of 20 teams playing in the Browns regional tournament on June 6, with a chance to go to nationals in Canton.
