

East Sixth Grade Camp 2026

What an exciting time for your students as they prepare to become our newest East Rockets! We are looking forward to getting to know you and your child as they make their transition to middle school. Sixth grade is a year of change, growth, and development and we are thrilled to provide a camp experience to add to your child's first year at East.

Specific information about camp this year can be found by clicking here: [East Camp 2026](#). Please read through this document before signing up your child. It will answer many of your questions on what to expect at camp.

East has been going to camp since 2001. Your student will have experiences that can't be duplicated in a school setting. From team building, fire-building, and orienteering, to cabin life, wildlife and campfires, your child will have the opportunity to take part in this experience and make new friends along the way. Our camp dates this fall will be **Monday, October 5 through Wednesday, October 7, 2026**.

The cost of camp will be **\$275**. This includes transportation, camp costs, and all meals while at camp. We also need many parents in order to run our trip. The parent chaperone cost is **\$120** and the sign up form for both can be found in the links at the bottom of this page. Student and chaperone fees are paid online and will open up August 5; both need to be paid through RevTrak. We have approximately 170 beds available for students at camp this year so make sure to sign up by August 19, 2026. If we have more than 170 students interested, additional campers will be put on a waitlist until we have enough to pay for an additional bus and cabin at camp (approximately 20 more students).

If your sixth grader has never been away from home for an extended period of time, or has never had an outdoor education experience, it is

possible that your child may not show an openly favorable reaction to a sixth grade camp trip. We encourage you to get your child excited and willing to go on such a trip, as no other middle school experience will compare to these three days of team building, learning activities, and social interaction.

We look forward to seeing you and your child in the fall. More information about camp and all of the forms needed for camp are linked at the bottom of this page. In order for your child to attend camp, we will need

- ☐ Camp sign-up form (completed online)
- ☐ \$275 payment (Paid through RevTrak or Cash)
- ☐ Field Trip Consent Form (printed, completed, and turned in)
- ☐ 2026 YMCA Camp Health Form (printed, completed, and turned in)

All of the paper forms can be turned in at the camp table at East's registration day on August 19, 2026 (or sent in on the first day of school if you are unable to attend registration). Please go through all of the links below before signing your child up. If you have any other concerns or questions about camp, please feel free to contact Mrs. Formosa at melanie.formosa@pccsk12.com.
