Grant Summary

How will students benefit from this funding and how does it supplement and/or enrich the existing curriculum and/or program?

How many students and what grade levels will benefit from this funding?

Are you coordinating and/or collaborating with any colleagues? If so, please explain.

If this is an activity, when will it occur?

Budget

Total budget and average cost per student (if applicable):

Please attach a detailed list of proposed budget items. If possible, please include information about items, amounts, costs, vendors, related activities and time frame.

If the full amount cannot be granted, are you prepared to receive partial funding?
