Dear Educational Leader,

### YOU CAN YOU HELP US

- EdCampNJ is a yearly unconference designed specifically for educators who want to take the lead in their own professional learning, development, and community. We rely on and greatly appreciate the support of our local, state, and national educational organizations and businesses.
- Each year, our sponsors ensure that educators are afforded the opportunity to experience high quality professional development by removing the monetary burden of attending professional learning opportunities.
- EdCampNJ 2025 will take place on **Thursday, August 14, 2025** at Monmouth University.

### HOW CAN THIS BENEFIT YOU?

- Many of the reasons why you would sponsor a professional learning conference align with the reasons you became a business owner and industry leader in the first place.
  - **Positive Consumer Perception:** Giving back to the community that supports you can create real connections that make the daily grind worthwhile.
  - **Community Goodwill:** The positive feelings generated by your philanthropy can also radiate outward, inspiring your employees to do good in the community.
  - **Relationship Building:** Taking pride in your sponsorships conveys to employees that they are working for a compassionate, value-driven company and tend to be more loyal and motivated workers.

### YOU CAN BE THE DIFFERENCE

- Education is a thankless endeavor. People pay hundreds of dollars to attend educational conferences when EdCamps first priority is ensuring a free learning opportunity. In addition to expanding your brand awareness and your network, you are validating the efforts and energy of educators through your philanthropy, compassion, and sense of community. You are that factor that changes someone's life in a positive manner.

### SELECT THE GIVING & EXPERIENCE LEVEL THAT'S RIGHT FOR YOU
