Instructions: Please download file, complete and then email to Executive Director, MHADRI Network, Dr Kol Wickramage on: mhadriexecom@gmail.com

Please note that the prerequisite is for the program is to be a MHADRI Member and thus you are required to [register](#).

1. Section 1 — Applicant Profile

- a. Full name:
- b. Preferred name:
- c. Email:
- d. Phone/WhatsApp (optional):
- e. Country of current residence:
- f. Nationalities:
- g. Primary institution/organization:
- h. Current role (e.g. trainee/faculty/clinician/administrator etc)
- i. Career stage (student, trainee, early-career ≤5 years, other)
- j. Degrees obtained:
- k. Languages spoken:
- l. Time zone of residence:
- m. Preferred meeting windows (days/times):
- n. ORCID / Google Scholar /LinkedIn Profile link (optional but preferred):

2. Section 2 — Eligibility & availability

- a. What is the timezone you work in?
- b. Can you commit to monthly family meetings for 9–12 months? (Y/N)

3. Section 3 — Project concept (current or planned)

- a. **What is the topic/issue for which you require mentor support?** *if its a research related query then below may serve as a template;

- b. Working title of project:
- c. Country/setting and population (refugee/immigrant group, host community, etc.):
- d. Problem statement (150–250 words)
- e. Research question(s)
- f. Study type (planned or existing): qualitative / quantitative / mixed / implementation / secondary data / other
- g. Data source (primary data / clinic records / surveillance / NGO data / public dataset / other)
- h. Do you have access to the needed data/field site? (Y/N/partly) Explain briefly.
- i. Ethical review status: not started / planned / submitted / approved / exempt / not applicable
- j. Key risks or constraints (internet, time, permissions, political/security, language)
- k. What specific topic/issue for which you require mentor support for your research related query?

4. Please check the general areas of your research interest/expertise across human mobility categories/typologies:

- a. Internally displaced persons
- b. Migrant families
- c. Migrant workers
- d. Asylum seekers
- e. Foreign military
- f. Human Smuggling
- g. Human Trafficking
- h. Humanitarian entrants/Refugee resettlement
- i. International migrant workers
- j. International students
- k. Internal Migrant Workers
- l. Cross Border Migrant Workers
- m. Patient mobility across borders
- n. Refugees
- o. Resident Visa Holders
- p. Family Reunification
- q. Seafarers
- r. Seasonal farm workers
- s. Human mobility mapping
- t. Other

5. Please check your General Research Areas of Focus:

- a. Bioethics
- b. Climate change
- c. Community participation in health
- d. Prisoner Health/Detention/Asylum Healthcare
- e. Disease Surveillance
- f. Disaster preparedness and response
- g. Global Health security
- h. Epidemiology
- i. Biostatistics
- j. Gender
- k. Global health diplomacy
- l. Health and human rights
- m. Health economics/Health care financing
- n. Health informatics
- o. Health law

- p. Health policy
- q. Health promotion/Health education
- r. Health systems research
- s. Health technology
- t. Infectious Disease
- u. Humanitarian health interventions
- v. Immigration health examinations
- w. Mental health and Psychosocial health
- x. Non-communicable diseases (NCDs)
- y. Refugee health
- z. Occupational Health
- aa. Research ethics
- bb. Policy Analysis
- cc. Sexual and reproductive health
- dd. Substance abuse
- ee. Trauma and injury
- ff. Travel medicine
- gg. Vaccine preventable diseases/immunization
- hh. Violence and health
- ii. Geospatial mobility mapping
- jj. Maternal and Child Health
- kk. Adolescent health
- ll. Adult and Geriatric
- mm. Other

6. Section 5 — Mentorship needs

Areas where you want mentorship (then place 1,2,3 Rank)

- a. Qualitative methods
- b. Quantitative methods / biostats
- c. Implementation science
- d. Modelling (computational, financing, econometrics)
- e. Community-engaged, community participatory research
- f. Research ethics /IRB/ERCS
- g. Grant writing
- h. Academic writing
- i. Refining research question
- j. Policy analysis/translation of evidence to policy and practice
- k. Implementation science
- l. Ethics with displaced populations
- m. Grant writing
- n. Manuscript writing
- o. Other: *please write:

7. Any preferences for mentor expertise or region? (optional)

8. Please use this space to **describe in detail the research project you require mentorship**. Please be as comprehensive as possible and attach relevant documents too.
