

**Job Title:** Team Leader – Wetpour Installation Team

**Location:** UK Wide (Travel Required)

**Salary:** Competitive (Based on Experience)

**Job Type:** Full-Time (Includes Overnight Stays)

## **Job Overview:**

We are looking for an experienced and motivated Team Leader to join and lead our Wetpour Installation Team. This role involves overseeing wetpour surfacing installations across the UK, ensuring that projects are completed efficiently and to a high standard. The Team Leader will be responsible for supervising the team, ensuring health and safety compliance, and liaising with clients and project managers. Due to the nature of the work, applicants must be willing to travel extensively and stay overnight when required.

## **Key Responsibilities:**

- Lead and supervise the wetpour installation team on-site.
- Plan and coordinate daily tasks to ensure efficient project completion.
- Ensure all work is carried out to the highest standards and meets client specifications.
- Oversee the preparation, mixing, and application of wetpour materials.
- Operate and manage tools, equipment, and machinery required for installation.
- Ensure strict adherence to health and safety regulations and company procedures.
- Conduct site inspections and resolve any on-site issues.
- Maintain communication with clients and project managers regarding project progress.
- Travel to various sites across the UK and stay overnight when required.
- Train and mentor junior team members, supporting their development.

## **Requirements:**

- Previous experience in wetpour installation or a similar surfacing industry.
- Proven leadership experience – ability to manage and motivate a team.
- Willingness to travel extensively and stay overnight as needed.
- Physically fit – the role involves manual labour, heavy lifting, and working outdoors in varying weather conditions.
- Full UK Driving License (Essential).
- CSCS Card (Preferred but not essential).
- Strong problem-solving skills and ability to make decisions on-site.
- Excellent communication skills and client-facing experience.
- Ability to work efficiently and meet project deadlines.

## **Opportunities for Progression:**

This role offers career progression into senior management positions, providing opportunities to develop skills in:

- Project management and site coordination.
- Advanced wetpour installation techniques.
- Client relations and contract management.

## **Benefits:**

- Competitive salary with overtime opportunities.
- Accommodation and travel expenses covered for overnight stays.
- Career progression within the company.
- Training and professional development provided.
- Work as part of a skilled and supportive team.

If you are an experienced installer looking to take the next step in your career as a Team Leader, apply today and lead a growing team in the wetpour surfacing industry!
