This book is a riveting testimony of how Dennesha got ill suddenly and almost died. She shares how she was spared from the jaws of death, by the mercies of God. The book details her encounters with the Lord Jesus, over the 21 days of tribulation. Mixed into this story, is a series of other testimonies which have strengthened the faith of the author and which will definitely strengthen your faith.

For many years the enemy has run unchecked or undefeated in the lives of many Christians. He has made a mess of many Christians' lives and families. Many of us have been told what to do and what not to do as saints, but no one ever takes the time to tell us how to do it right. Now, finally, the Lord has sent the word on how to counter the enemy, no matter what state or form he comes in.

This book is meant to celebrate the leadership prowess of Pauleen Reid who has served in the education system in Jamaica for over 40 years.
