Estabrook Elementary

**Parent and Student
Return to Learn Guide
Covid- 19 Edition
2020-2021**

“Your Culture Sparks an IMPACT!”

Dear Parent(s):

We hope this information helps you and your child transition back to in-person learning.

Most children are very excited about returning to school **Face to Face**. Our goal is to provide your child with experiences that will foster a love of learning.

The first few weeks of school may be a little tiring as your child transitions from remote learning to in-school learning, adjusts to new classroom routines and expectations, while wearing a mask.

Please feel free to talk to your child's teacher about any concerns you may have. The teacher will be glad to discuss this with you.

We wish you and your child a positive return with a successful remainder of the school year.

Sincerely,

The Estabrook Elementary Staff

Introduction

Estabrook houses 2nd through 5th grade students. Outside of our core academic subjects our students receive virtual instruction in Art, Music and Physical Education. Support services are available through a school nurse, social worker, psychologist, occupational therapist, speech and language pathologist, Title One reading specialists, and an English as a Second Language (ESL) educator.

Estabrook Elementary addresses the needs of all children by providing the services and attention needed to help them grow and learn.

Vision

At Estabrook we promote a positive environment and create an educational culture leading to successful learning.

Mission

The Estabrook Elementary, in partnership with the community, will establish positive relationships and sustain a safe, caring and engaging environment while promoting an appreciation for our diverse community as an integral part of school life. High expectations for both students and educators will be the standard to create lifelong learners and promote career readiness. At Estabrook we will embrace the gifts of the individual student while providing a rigorous curriculum. An Estabrook graduate will exhibit good citizenship and character while achieving their full potential.

Purpose Statement

Our school's purpose is to cultivate success through establishing a positive school culture with high expectations for all. All students can learn and be equipped to become leaders.

Beliefs

- We believe that ALL students can and will learn and cultivate success.
- We believe that ALL students must have equal access to high quality curriculum, instruction and standards.
- We believe that ALL students must be prepared for postsecondary opportunities.

- We believe the active involvement of the community within the educational process is critical to the development of lifelong learners who are equipped to become leaders in our changing world.
- We believe that a safe and supportive teaching and learning environment is imperative.
- We believe that a positive school culture of high expectations is key.

Estabrook School Hours

School will be in session starting at 8:00 am and dismissal will be at 2:00 pm.

Estabrook March 1st: Important Links One Stop For All

Estabrook Bus Routes: March 1st Edition:

There are a lot of changes to routes and times. Please look over this document and note the times that your child will be getting on the bus. If you are not comfortable with the changes and you have the means to drop off and pick up your child, I would strongly encourage you to do this as YCS works out any kinks with the new bus routes

Bus Numbers to and from Estabrook are;

- 106, 109, 111, and 203

Return to In Person Learning Letter from our Superintendent

This letter was sent out by the district and myself, but just in case you would like to have easy access to this information, here it is again.

Estabrook Return to In Person Learning Parent Letter

This letter was sent out last week and is translated for our French, Swahili, Erdu, Spanish and Arabic speaking families. This letter includes bell times and the return dates for each grade level.

In Person Learning Parent and Caregiver Presentation:

This is the presentation from Thursday, February 26, 2021 informational session.

Estabrook Return to In Person Learning Informational Video

This video was shown to parents, caregivers, and staff members that came to the informational session on Thursday. This is a great opportunity for you and your child to see what school will be like upon their return.

[Parent and Caregiver Questionnaire](#)

If you have any questions that you would like to receive answers to, please fill out this form and submit it to our staff. We will return an answer with a follow up email or phone call based on the question that you are asking.
