- Need to make another key for the mailbox.
- **Fall ball** is up and running, t shirts have been ordered, but are running late. Next year we will order generic fall ball shirts, so that we have them on time. Possibly sending shirts to Summit (Justin's workplace) for them to get done. Schedules are posted online. We have many new players who will need structure. Possible coaching clinic for new coaches.
- Justin Bogan had many compliments on how well his team was run.
- Recommend that all age groups should help cheer each other on. Can attend each other's practices to support and give help. "Share the knowledge" of older players.
- **Turf Wars for next year:** Board Recommends: Hiring different umpires, changing of some of the written rules, redo shirt orders, like prepaying to hold a shirt, having a saying on the back of the shirt instead of a list of teams attending. Overall, it was a HUGE success. Largest rec tournament in western pa.
- Motion to accept, 1st Summer, 2nd Justin.
