Provide Greater Access to STEM Education to All Students

Keya P.

**Director of Cedar Park, Texas
Chapter**

**Tutor
San Antonio Math Include**

Keya is part of the Class of 2029 at Basis Cedar Park and is passionate about biology and reading. She has been interested in biology since it became a separate subject for her in 5th grade. She is interested in many fields of biology, but mainly subjects pertaining to anatomy and the human body. Along with this, she has other hobbies like painting, drawing, and improv. She is also a part of school clubs like HOSA and debate, both of which she enjoys. Keya is also an avid reader and thoroughly enjoys reading and writing in her free time.
