Wednesday Dec 9th 2026

Welcome back to Kings Golf course for event #3 of the Northern Night Cup series 2026. Many thanks to the Kings Golf Club committee for permission to use the area.

Terrain:

Kings Golf Club course is a 18-hole Championship Golf Course which stretches over a large area with a climb of around 55metres to the furthest away point. The course features trees and shrubs of varying sizes and areas of rough ground. There is an extensive path network available, **three large ponds** and some streams (you must use bridges to cross). The long course will take in the adjacent area of Torvean Park which is reached by underpath (compulsory crossing). Torvean Park is a mixture of open grass and mature trees around the edges. The night novice course will mainly stay on the path network.
