Provide Greater Access to STEM Education to All Students

Aminata B.

**Director of Coon Rapids,
Minnesota Chapter**

**Tutor
San Antonio Math Include**

Aminata is part of the Class of 2026 at Coon Rapids High School. She is a driven student passionate about math, biology, and community leadership. As a member of her school's biomedical program and former vice president of HOSA, Aminata is committed to making science and healthcare education more accessible. She is also a founder of HerSpace, a women's empowerment group focused on inclusivity and student engagement. Aminata looks forward to inspiring younger students and making learning more approachable through San Antonio Math Include. She is excited to serve both as a tutor and Chapter Director in Coon Rapids, Minnesota.
