

SFW COMMISSIONS

General Info

· Commissions will focus on any character from different forms of media, such as animations (cartoons/anime), games, literary works, or your own original design/concept. As long as they're exempt from the blacklist, I'll draw them.

· Prices are SUBJECT TO CHANGE based on the number of characters, complexity and effort. Discounts will also be given depending on the occasion.

· I accept payments UPFRONT once I reply to your request and we reach a decision through direct messaging (DM). I will send you an invoice to your EMAIL ADDRESS so you will be able to pay for your commission. Once payment is received, I will work on your commission.

I am willing to accept the following payment methods/cards:

CHECKS ARE NOT ALLOWED

· **Payment for invoices will have a time limit of 3 days.** If you are unable to pay your invoice within this time-frame, your invoice will be canceled, and you will be pushed back on queue until I either finish another client's drawing, or if you resubmit a request for your commission through DM when I'm still available.

- All commissions will be drawn in either 3800 x 5373 350 DPI or Mobile resolution unless specified by the commissioner, and will either cost more or less depending on how complex the image is (See commission samples). You will also receive a photoshop document file as proof of work towards your commission. Remember, BEING SPECIFIC WILL BE TERRIFIC.

- I have the RIGHT TO DENY your commission proposal and will most likely not reply if it is either too vague/confusing, or a theme that I feel uncomfortable with. Again, BEING SPECIFIC WILL BE TERRIFIC.

- You are free to use your commission for personal use or repost (as long as credit is given). NO UNAUTHORIZED COMMERCIAL USE IS ALLOWED UNLESS WE'VE DISCUSSED IT. Private commissions will not be uploaded unless you inform me to do so beforehand.

- **NFT'S PRODUCED WITH ANY OF MY WORKS WILL RESULT IN AN IMMEDIATE TAKEDOWN.**

- If at any time you are not satisfied with your commission during the drawing process, you have the option to either request any reasonable adjustments to the image or a partial refund. NO REFUNDS WILL BE GIVEN ONCE THE COMMISSION IS COMPLETE.

- I have the right to SELL / UPLOAD COMMISSIONS for either digital download or prints UNLESS stated otherwise.

Icons/Logos: Price will vary on an hourly basis of work-time, including client's business/use of any requested icon or logo design. For businesses, contact my business email at zionworldartist@hotmail.com for further discussion.

Character Sheets: Will no longer be available for future commissions

Using characters that do not belong to you: There are other artists besides myself who are particular about the use of their designs and concepts. With that said, if you are planning to commission me a character not associated with a larger video game / franchise / corporation / cartoon or the like (example: animation youtubers or their mascots), you **MUST** have the approval of the original artist by sending **PROOF OF PERMISSION** (a screenshot or credible evidence of the original artist allowing you to commission others for their creations). Failure to do so will result in terminating the commission without warning.

You are, however, allowed to commission me to draw my own characters.

NSFW (18+) COMMISSIONS

- All details for ecchi / Not-safe-for-work (NSFW) drawings will require direct messaging through email, Discord, Pixiv, or Baraag. After we come to an agreement, payments will be made through the invoice I send to your email to avoid complications.
 - Depending on the nature of the content, certain drawings will be posted on Pixiv among other sites. Reposts are still allowed with credit given, but I will not be held accountable if the image results in breaking ToS on your behalf.
 - Once again, I have the right to deny any NSFW commission if the content is something I am uncomfortable with drawing.
- **Private NSFW commissions WILL NOT accepted**

· You also agree that you are 18 or older to make any NSFW commission with me. I will not be held liable for any illegal distribution of adult content to underage commissioners due to fraudulent age.

Don't be that person.
