☐ We only have 2 months until the Main Event and 3 months until my term is over. The nomination form has been sent out. Please fill that out if you have someone or yourself in mind for running any of the open positions. We will be asking for volunteers for the Main Event soon. It takes a great deal of volunteers to pull off this event. Please let me know if you are willing to help the day of or the night before. I know quite a few of you have already committed to working the event. I appreciate all of you! I had the honor of being a part of the signing event last week. It was so well done. I wanted to thank Ben, Kyle, and Karyn for all their hard work putting it together. Then they turned around and had a send off for the Cheer Team the same day!
