<https://forms.gle/Ba4ESPcYfpJWhpEt7>

Best of luck to all applicants and thank you again for your interest in the  
Purdue Student Engineering Foundation!

Alexis Lee, Rika Chang, Sam Altenburger, and Brian Schmidt  
2026 Executive Committee

# PURDUE STUDENT ENGINEERING FOUNDATION

## **Our Mission:**

1. Promote a further understanding of engineering and its role in society.
2. Further develop meaningful faculty, industry, and student interaction.
3. Promote the quality and breadth of Purdue Engineering.
4. Promote the field of engineering in general and Purdue University to potential students.

## **Our Team Structure:**

### **Executive Team:**

Carries out the overall vision of the organization, selects directors and new members, and other important and vital administrative details. The members of the Executive Committee are *elected* by the general members of PSEF in late fall.

### **Member Development:**

Serves to strengthen the relationships between PSEF members. Member Development is responsible for working with PSEF as a whole in order to advance members' knowledge, skills, and abilities.

### **Engineering APEX:**

Responsible for organizing the annual Engineering APEX which invites high school students to an all-day engineering outreach event on campus.

### **Engineering Outreach:**

With the aid of the Office of Future Engineers, Outreach helps to spread knowledge and excitement about engineering to potential future engineers.

### **Industrial Relations:**

Oversees all professional operations in PSEF. Primary link to alumni, funding, industry, and professional development for members.

### **Public Relations:**

A team devoted to the creative promotion of PSEF events. PR members work closely with other teams in order to publicize our events and garner attention for the efforts of PSEF.

# APPLICATION PROCEDURE

It is imperative to us that you provide honest answers that would give us a better understanding of your own personality, views, and ideas. Our goal is to get to know *you*.

All applications will be under review and a number of people will be notified of their selection for an interview on **Monday, January 26th**.

Interviews will be held **Wednesday, January 28th** through **Saturday, January 31st** immediately following the due date of this application. The dress for all interviews is **business casual**. Interview sign-up procedure will be made known to those applicants chosen.

Completed application is due  
**11:59 PM Friday, January 23rd, 2026**

## IMPORTANT EVENT INFORMATION

PSEF will be holding a New Member Meeting on **Monday, February 2nd at 8:00 PM** and we expect that all new members attend the meeting in order to see how PSEF operates, as well as meet the rest of the organization.

The semester retreat for Fall 2025 begins the evening of **Friday, February 6th**, and ends the morning on **Saturday, February 7th**. All members are required to attend. The retreat is an opportunity to network and socialize with the PSEF general members and to have a good time.

## CONTACT INFORMATION

If you have any additional questions, comments, or concerns about the Purdue Student Engineering Foundation, its members, mission, or this application, please feel free to contact us. Thank you and best of luck to all applicants.
