

## Ms. Emery's Classroom Management Plan

Rules posted in the classroom are as follows:

- M- Make wise choices so you and others can learn
- U- Use good manners and be respectful of others
- S- Speak, sing and play when directed by your teacher
- I- Involve yourself in all activities
- C- Care for others and the music equipment

There is a positive behavior chart by class posted on the wall. If the class follows the rules during their Music time they earn a sticker. After five stickers the class earns a reward.

If the class in general isn't following the rules they get a strike.  
Three strikes=no sticker.

If there is a student who is struggling with their personal behavior I have 2 designated mind reset areas. If that doesn't help..Enrichment has forms to be sent home and signed by parents as well as access to all the homeroom class dojos.

I have also streamlined a few class procedures. Designated helper, specific line up spot marked with velcro spots, and blocking access to the short walls that the students would try to climb.
