

# HAPPY BIRTHDAY RAVEN!!!

Kuri: RAVEEENNNNNNNNNNNNNNN!!!! HAPPY HAPPY BIRTHDAY TO YOU >< ♡ I hope you'll have the perfect day today, with lots of love, good food and huggles! (and kpop) AND OF COURSE I hope you'll like the MEP we did for you >< I edited (yet again) Madoka Magica for you cause WHY THE HELL DO YOU REMIND ME OF HOMURA SO MUCH JFC even if you say you're not even close to be a badass I won't believe you, like ever. Who else is there to punch people when they enter a corner, or throw them off a cliff if not you? :( ♡ anyways I loaf you and happy birthday again! ♡♡♡♡

Em: AAAAAAAAAA HAPPY BIRTHDAY RAVEN ♥♥♥♥ I WROTE PRETTY MUCH EVERYTHING I WANTED TO WRITE TO YOU LAST MONTH BUT I HOPE YOU HAVE AN AMAZING DAY AND THAT YOU LIKE OUR GIFT TO YOU >< I was looking through your anime list and everyone snapped up the anime you love the most pretty quick so I was pretty stuck for what to use xDD but i saw that you rated Fate 8/10 or something and I was like "AA I basically never ever edit fate so ayyYYY let's channel some badass ladies to go with the badass ladies of Blackpink uwu". I hope you have an amazing day full of love and goodnom. Lof you lots - it's been awesome having you around again a little more recently ♥

Sonny: RAVEN! HAPPY BIRTHDAY!\*hugs you tight\* I hope you have/had a great day and I hope this messages make you happy or may make your day:3 (Or the MEP or the B-Day Amvs ppl are going to make you) Ofc I had to edit with Your Lie in April for your B-Day again, bcs it's a great anime and you edit like 24/7 with it. I just realized again that I need to re-watch Your Lie in April, bcs I'm missing out great scenes iqmtäiqmtq Don't stress yourself too much, Raven. I hope you're happy and comfortable and if something is up you can write me if you want:3 I'll always listen, just so you know. (This kinda sounds creepy, Riiiiip) I know we don't write a lot, but we kinda did recently and I enjoy talking to you, it's nice. Thank you for showing me Seventeen, it's such a great group and I need to listen to them more xD And also: Thank you for being you. I don't think I say this to a lot of ppl atm, but I want to tell you that I just want to Thank you. So thanks, yeh. (Pun and reference to Seventeen song intended ;3 :P)

Rockpath: HAPPY BIRTHDAY MY TWIN <3 I hope your day is full of good things like 5million MEPs and 50million Kaitlyn AMVs (I already know the latter is true because I saw them this morning, lolol). Please look forward to mine even though it will be extremely late :) (rip me, I haven't had much time or inspo as of late. I think I'll quit for a little while and come back when inspo hits me again.) Idk what to say, lolol... I hope you enjoy my part for this song because I was lowkey feeling tortured trying to edit to it XD XD XD I'm also pretty sure you got sick of this song

and your ult group even changed by now, but THAT'S OK, WE TRIED REALLY HARD T-T Hosting this was difficult because Kaitlyn put the signup and I put it together and it was a wonky effort that couldn't go on a studio channel because *what studio exists for us to share where you don't have access, lololol*. ANYWAY, I hope you have a great day, and thanks for always being around to yell about THINGS and STUFF like your 29421029390million groups with 29410248107595zillion people each. ISTG, you stan way too many groups >:C

kmbrose: HAPPY BIRTHDAY YOU AMAZING PERSON!!!!!!!!!!!!!! You are so very lovely and I hope you have the best day ever!!!!!!!!!!!!!!!!!!!!!! \*DEEP BREATH\* You do so much work and you deserve all the loveeeeeeee. If this is late it is my fault btw >.< my net has been dumb and I only had my phone data. SO SORRY. afafasdfsdfsdfsdfsdfsdf. Just want you to know we appreciate you and look forward to so many more birthdays together with you.

Saika: RAVEN. Hey. It's me. Just wanted to let you know that you're appreciated a lot! You've been one of the very first people I got to know after my break, you took me into FSM as the first studio I've entered like almost a year ago. I've got to know you as a lovely caring person, with an amazingly crazy side that I really really love about you! T\_T  
Your unhealthy habit of hosting so many meps at the same time all over again has motivated me to keep going and the creativity you put in your work has always amazed me.  
I wish you all the best <3 stay the amazing person you are.
