

SL - You've missed something

Hey James,

If only I had known about dating coaches while I was learning everything the hard way. Would have saved myself A LOT of heartache. Nevertheless, finally got there in the end.

Anyway I'll cut to the chase. I love the dating / relationship coaching world and I'm looking for 2 more businesses to partner with.

I've noticed a few things with your social media fairly quickly which I know can help sell your 1 to 1 coaching and other products. I'd be happy to help you out.

Let me know if you'd like to know more about what I can do for you.

All the Best

Lawrence
