For summer reading please do the two follow things:

1. READ THE FIRST THREE CHAPTERS IN THEY SAY I SAY

Read and annotate the first 3 chapters in *They Say I Say*. Then, write a short response to the questions below. You will have a chance to upload your questions to our classroom on the first day of school.

2. READ 2 OR MORE BOOKS

1. Choose your texts. If you need ideas, check out [this list of recommendations](#) from our librarian, Ms. Caporale. (*Please note, this list is not required reading, but we feel it encompasses a diverse and engaging selection of texts.*)
2. For each book, complete [this google form](#) which asks you to review and

recommend the book.

- 3. Be ready to share your summer reading choices with your classmates when you return to school!**

For chapter 1, explain below what “They Say” is and give one example of how you would use it.

In Chapter 2, How do you summarize texts and use a template to use an example of how you would summarize an element of a book you read last year.

In Chapter 3, How do you make a quote sandwich?
