High School Announcements (Grades 9-12)

Principal Note for High School: Testing results from Spring EOCs and MAP are ready. Parents will receive student scores at Parent/Teacher conferences on Oct. 21. We will start scheduling conferences soon. In the meantime, feel free to reach out to your child's teachers for any concerns or questions.

Counselor Note for High School: Please make sure you are looking at your email especially, Juniors and Seniors. This week I sent emails regarding Bobcat Days to College of the Ozarks (if you are going, you need to be at school at 6:45 on the dot on Tuesday morning), the Monett College and Career Fair, and ACT Fee Waivers. As always, if you have any questions feel free to email me at kslater@hurleytigers.org or call me at 417-369-3271 ext. 3327

Club Announcements:

Student Council: Field trip to CBCO Workshop on Tuesday, September 24.
Upcoming meeting on Friday, September 27, during RTI time.

Drama Club: Rehearsal on Thursday 3:45-4:45

Teacher announcements for High School courses:

Biology class (Mr. Hampton): We are working on macromolecules of life that lead us next into our cell unit. Please remind students to take good notes as Biology is an important EOC tested class. Thank you!!!!

Jr. High Announcements (Grades 7th & 8th)

Principal Note for Jr. High: Testing results from Spring EOCs and MAP are ready. Parents will receive student scores at Parent/Teacher conferences on Oct. 21. We will start scheduling conferences soon. In the meantime, feel free to reach out to your child's teachers for any concerns or questions.

Counselor Note for Jr. High: We are still waiting on getting our lessons with Burrell set up. Something to look forward to in October is Red Ribbon Week. Plans are already underway to make this year's Red Ribbon Week the most impactful yet.

Club Announcements:

Drama Club: Rehearsal on Thursday 3:45-4:45

Teacher announcements for Jr. High Core Subjects:

7th grade ELA (Knight): 7th grade is continuing our Risk and Exploration Unit looking at non-fiction texts about exploring space or the ocean. They have submitted Narrative drafts, which we will return to with fresh eyes in a week or two to begin editing and revision with gusto.

7th grade Reading (Lumpkin): Seventh graders will be completing the September Evaluate test this week. Students will also learn how to analyze and compare news stories about the same event from various sources.

7th grade Math (Conlee): Seventh graders will be working with tables, graphs and equations alongside real world applications.

7th grade Science (Hampton): Our school year is rolling... We are working on the organization of our human body unit as we learn about important systems of the human. Please remind your child to take good notes in science class.

7th grade Social Studies (Donnell): Students have finished testing on the different state regions. On Friday they will test over all 50 states. They are continuing to learn about the United States and Canada.

8th grade ELA (Knight): 8th grade will be continuing our “Approaching Adulthood” unit from our Collections textbook. They have submitted Narrative drafts, which we will return to with fresh eyes in a week or two to begin editing and revision with gusto.

8th grade Reading (Lumpkin): Eighth graders will be completing the September Evaluate test this week. Students will be learning how to use text features and graphic aids to analyze and understand a non-fiction text.

8th grade Math (Conlee): Students will focus on exponent rules, including negative exponents. They need to really focus on memorizing these rules.

8th grade Science (Hampton): Students are doing excellent work on the atomic structure of atoms. Our next unit will jump the atoms into our periodic table.

8th grade Social Studies (Donnell): Students have finished testing on the different state regions. On Friday they will test over all 50 states. They are continuing to learn about the United States and Canada.

High School Announcements (Grades 9-12)

Principal Note for High School: We are back in school and going strong! Students need to keep up with attendance and grades. Three week grade checks went home on Friday, September 6th. Look them over and be sure to ask your student questions about

reports and their classes. Feel free to contact your child's teachers with questions, comments or concerns.

Counselor Note for High School: If your child is interested in taking the ACT this school year, please email me at kslater@hurleytigers.org or call me at 417-369-3271 ext. 3327. I am more than happy to help register our high school students and find schools that are offering the test.

Club Announcements:

FFA: Field Trip reminders. Please mark your calendars and watch for permission slips.

September 19th is MU Field Day

September 25th is Area 12 Greenhand Conference (Ag 1 Only)

September 27th Food for America

FCA: Our next meeting will be September 18th, at 7:00 AM in Mrs. Wertz's room. See you at the Pole is September 25th, at 7:00. We hope to see elementary through high school students there. This will be on the hill by the preschool.

StuCo: CBCO Workshop field trip on September 25.

Drama Club: Try something creative, join Drama Club!! Thursdays after school from 3:45pm-4:45pm in Ms. Knight's room.

Teacher Announcements for High School Courses:

Biology & Ecology (Hampton): Our first unit tests are approaching in Biology and Ecology class. Please study the guides given to you.

English 1, 2, 3, 4 (Knight): I will be out of class on Tuesday September 10th. I expect perfect behavior from all students, no exceptions. English 3 myths need to be submitted by Tuesday. English 4 Personal Narrative needs to be submitted by Tuesday.

Personal Finance (Moeller): Unit test over Banking will be at the end of next week.

Contemporary Math, Geometry, Algebra 1, 2 (Moeller): I will be out of class Friday, September 13th. Excellent behavior is expected.

Jr. High Announcements (Grades 7th & 8th)

Principal Note for Jr. High: We are back in school and going strong! Students need to keep up with attendance and grades. Three week grade checks went home on Friday,

look them over and be sure to ask your student questions about reports and their classes. Feel free to contact your child's teachers with questions, comments or concerns.

Counselor Note for Jr. High: All quiet on the western front for now. In the coming weeks, Burrell will begin their bi-weekly meetings similar to last year. Please let me know if your child would like to be enrolled into School Based Therapy through Burrell. I would be happy to walk you through the process of registration.

Club Announcements:

Drama Club: Try something creative, join Drama Club!! Thursdays after school from 3:45pm-4:45pm in Ms. Knight's room.

Teacher Announcements for Jr. High Core Subjects:

7th grade ELA: (Knight) Seventh grade will be continuing our personal narrative unit and will be practicing revising and editing skills.

7th grade Reading (Lumpkin): Seventh graders are working hard in class analyzing stories within our Collections curriculum. Our objective for the week is to identify, analyze, and make inferences about the elements of plot within a story.

7th grade Math (Conlee): Seventh graders will be working with proportional relationships. Students had their first big quiz of the year on Friday, September 6th. Please ask your student how they did and how math is going. Mrs. Conlee is available for tutoring on Thursdays after school until 4:45pm. If your student needs tutoring and Thursdays are not a good option please reach out to Mrs. Conlee for other options. kconlee@hurleytigers.org

7th grade Science (Hampton): I am very excited as we are getting ready to move into our 7th grade unit on organization of the human body systems.

7th grade Social Studies (Donnell): Seventh grade students are working on the location of the 50 states and capitals. Students are learning about the planet earth and the environment.

8th grade ELA: (Knight) Eighth graders will be continuing our Personal Narrative unit and working on revising and editing skills.

8th grade Reading (Lumpkin): Eighth graders are working hard in class analyzing stories within our Collections curriculum. Our objective for the week is to recognize and analyze the elements of a story's plot and the author's methods of characterization.

8th grade Math (Conlee): Eighth graders will be working with very large and small numbers. Our main focus for the week will be working with exponents. Students had their first big quiz of the year on Friday, September 6th. Please ask your student how they did and how math is going. Mrs. Conlee is available for tutoring on Thursdays after school until 4:45pm. If your

student needs tutoring and Thursdays are not a good option please reach out to Mrs. Conlee for other options. kconlee@hurleytigers.org

8th grade Science (Hampton): We will be working with types of scientific variables, data, and graphing this week. Our Unit 2 will be around the corner as we study the atomic structure.

8th grade Social Studies (Donnell): Eighth grade students are working on the location of the 50 states and capitals. Students are learning about the planet earth and the environment.
