

Privacy Policy

At Boost Productivity, we are committed to protecting the privacy of our users and ensuring the security of their personal information. This Privacy Policy explains how we collect, use, disclose, and safeguard user data when using our Finance Calculator mobile application, including the permissions required by the App.

Information We Collect:

- a. Personal Information: We may collect personal information that users voluntarily provide to us, such as their name, email address, and demographic information. This information is collected with the user's consent and is used solely for enhancing the user experience within the App.
- b. Non-Personal Information: We may automatically collect non-personal information, including but not limited to device information, usage statistics, and technical data. This information is collected to improve the functionality of the App and provide better services to our users.

Permissions:

To provide the intended functionality of the App, we require certain permissions from users' devices. These permissions may include:

- a. Device Storage: The App may require access to the device's storage to save and retrieve user data of using the application.

Use of Information:

- a. Personal Information: Personal information collected is used to personalize the user experience, improve our services, respond to user inquiries, and send periodic emails with updates or promotional content. We do not sell, rent, or lease personal information to third parties without the user's explicit consent.
- b. Non-Personal Information: Non-personal information is used to analyze trends, administer the App, gather demographic information, and track user activities within the App. This information helps us improve our services and enhance user experience.

Data Security:

We implement appropriate security measures to protect user information from unauthorized access, alteration, disclosure, or destruction. However, no method of transmission over the Internet or electronic storage is completely secure, and we cannot guarantee absolute security.

Data Retention:

We retain user information for as long as necessary to fulfill the purposes outlined in this Privacy Policy unless a longer retention period is required or permitted by law.

Third-Party Services:

The App may contain links or integrations with third-party services, websites, or advertisements that are not controlled or owned by us. We are not responsible for the

privacy practices or content of these third-party services, and users are encouraged to review their respective privacy policies.

Children's Privacy:

The App is not intended for use by individuals under the age of 13. We do not knowingly collect personal information from children. If a parent or guardian becomes aware that their child has provided us with personal information without their consent, they should contact us, and we will delete the information from our servers.

Changes to the Privacy Policy:

We reserve the right to update or modify this Privacy Policy at any time. Any changes will be effective immediately upon posting the revised Privacy Policy within the App. Users are encouraged to review this Privacy Policy periodically for any updates.
