\_\_\_\_\_

## 4. Dial the first number on your list:

- Hand-dial if using OpenField on a computer
- On mobile, tap the blue phone number to call

The screenshot shows the OpenField mobile app interface. At the top, it says "call: (404) 972-6859". Below that, it says "Hi! My name is and I'm calling from AAPI Mens. Who am I speaking with?". Then, it says "Select the person you're talking to:" followed by "Jonathan Wilson | 127". Below that, there is a link "Meet someone not on the list?". At the bottom, it says "Couldn't connect with anyone:" followed by a dropdown menu showing "Not Home". At the very bottom, there are two buttons: "Save + Next Call" and "Save + Finish".

## 5. Confirm who you're speaking with:

- If speaking with the correct person, follow along in your script and capture their answers
- If someone answers who is not on your list, tap *Meet someone not on the list?* add them, then run through the script
- If no one answers or if someone is hostile, tap *Couldn't connect with anyone* and select the correct option

## 6. Call until you're finished!

- Tap *Save + Next Call* to move through conversations
- Tap *Save + Finish* when you're ready to end your session

*Thanks for calling with OpenField!*
